# FARTS and PEECES

## ASSHOLE OF THE MONTH

### DR. JOYCE BROTHERS

Anyone who's suffered the nose-rotting indignities of riding in a slow-moving elevator with an incontinent old hag who's forgotten to wear her granny diapers knows what it is to read a newspaper column by Dr. Joyce Brothers.

Back on the noxious elevator, a drool-butt crone is pointing her shaky, gnarled finger at some younger, more virile passenger whose sphincters are tighter and cleaner. "You farted!" croaks the grizzled witch. "It stinks!"

The doddering, withered cow is oblivious to the senescent dribblings of prune-lady poop that have trickled along the lines of her varicose veins. She's shitting on all the other passengers, disgusted that they won't clean themselves up.

The decrepit bag is an accomplished feces dispenser, but she's an amateur. She'll never achieve the rank acclaim of Dr. Joyce Brothers. A world-class crap factory, Dr. Joyce has reached the pinnacle of her very competitive and crowded field—recognition as HUSTLER Magazine's Asshole of the Month for April 1992.

Brothers attained the summit of Turd Mountain with a syndicated column titled "A Short Quiz About the Effects of Pornography." The doctor's quiz is slanted and loaded. She links child abuse, battered women, low self-esteem among females at large, increasing violence in sex crimes, drug addiction and prostitution among the homeless, and the angry fantasies of violent, sadistic offenders to explicit depictions of sex by consenting adults.

Dr. Brothers forgets to blame

smut for Pearl Harbor, the crucifixion of Jesus Christ and highly profitable companies that go through the holiday season without giving Christmas bonuses. Brothers also neglects the more common effects of pornography, such as a warm tingling between the thighs and a piqued interest in a bedmate of long duration, effects familiar to the most casual reader of HUSTLER.

"Hard-core pornography," asserts the pap psychologist, "is almost always violent and degrading to women." "Prolonged exposure to films depicting rape and violence," according to the doctor, will lead otherwise normal men to exhibit attitudes similar to those of convicted rapists.

HUSTLER's X-rated critics receive no hard-core smut that is violent to women, nor do we encounter sex tapes that are any more degrading to the females performing than to the men watching. Furthermore, if we were to come across films of rape and violence, we would send them to the police. We wonder where Brothers gets her pornography and how long she had to look to find it. Whatever gets her off, we guess, is okay, but she might want to seek psychological counseling.

"Child pornography," the demented, media shrink proclaims in closing, "is closely linked to sex crimes against children."

The doctor fails to point out that child pornography is *in itself* a sex

crime against children, and rightfully so. No commercially produced kiddie porn exists in the United States. The sexual exploitation of children is reserved for crusading attorney generals and misleading columnists, such as Dr. Brothers, who lead the public to believe that underage smut exists as a business venture and is not confined to the furtive, illicit pursuit of tormented, twisted loners.

Sex offenders, as any Ph.D. should know, invariably have a history of being sexually abused themselves. This abuse is often perpetrated by a relative or close family friend. In fact, most of the ills decryed in the "Quiz" column can be traced to damaged family structures. Common porn is no more to blame than the typical family for harmful, perverted primal urges. If Brothers had any ethical credibility, she would admit as much.

But Dr. Brothers's credibility has been questionable since 1956, when she began her ass-belching rise to cloacal prominence. Already a television insider, then-young Dr. Brothers became a \$64,000 winner on the TV quiz show *\$64,000 Question*. In '57, she won an additional 70 grand on *\$64,000 Challenge*, an affiliated game show.

In 1956, the year of Brothers's initial win, the producers of *\$64,000* were accused of coaching contestants and "fixing" the contests. The shows were forced off the air, but the damage already had been done. Dr. Brothers had seen how to rig a quiz. She's taught the world so much more about being an Asshole since then.

### FARTS IN THE WIND

**Robert Maxwell:** After reigning as the world's most vocal socialist, rotund press baron Maxwell is exposed as a tyrant, squee and thief. He skimmed away the pension plan of his worldwide legion of employees, he ran newspapers into the ground, he sued anybody who disagreed with him, he borrowed money far beyond his capacity to pay back, and he probably didn't give anybody in his companies Christmas bonuses. With debts and plunder both on the billion-dollar scale,

sly Captain Crook may think he died just in time, but he didn't drown soon enough to escape being named a monumental Asshole. **Khieu Samphan:** Samphan, chief representative of the Khmer Rouge, returned to Cambodia and expressed no regret for more than a million Cambodians slaughtered by the Khmer Rouge from 1975 to 1979, saying: "I want to tell people to let bygones be by-

gones." "Be gone," responded Cambodian rioters, "and take your Asshole with you."

**David Duke:** David Duke is as American as lynching parties and a politician's little, white lies. The United States will never be a free country until racial barriers come down. Presidential candidate Duke foments ethnic divisiveness while cloaking his rhetoric in mealy-mouthed, born-again Christianity. The Asshole is an equal-opportunity award, regardless of color or creed.

# Interplanetary Pussy

## Guys like Ron Jeremy are ruining Earth women

for the rest of us. Sooner or later, honest men will be forced to look for signs of unspoiled pussy on other planets. HUSTLER recently traveled to Hawaii for a premature peek into the Keck Telescope, a \$94-million venture that upon completion will be the largest magnifying lens in the world.

❶ The misty seas of Venus reveal a haunting, female creature whose pose resembles the 15th-century Botticelli painting "The Birth of Venus." Unfortunately, an even odder apparition, whose hairy physique proves an eerie likeness of 20th-century porn star Ron Jeremy, is close to conquering this nubile species.

❷ Jupiter is the largest of all planets. Ironically, so are its inhabitants. For centuries, scientists have speculated about the planet's mysterious red eye; the Keck Telescope reveals it to bear an uncanny resemblance to...Ron Jeremy.

❸ It's obvious how Uranus got its name. The planet closest to Saturn contains nothing but assholes. From behind a pile of freezing granite, a furry and familiar space creature has finally found a welcome home.

# PORN from the PAST

Even decades ago, sex was no laughing matter. Christine Wilson gets \$150 for this month's old-time pose. Send your classic smut to "Porn From the Past," HUSTLER Magazine, 9171 Wilshire Boulevard, Suite 300, Beverly Hills, CA 90210. Enclose a self-addressed, stamped envelope if you want to have your material returned.

## SEX, BLOOD & ROCK 'N' ROLL

Sex and violence sells, and L.A. scum-metal experts Haunted Garage hope the fans are buying. Garage, along with their female dance troupe, the Gore-Gore Girls, combine blood, breasts and ballistics to make local dry-cleaners rich. Thee Hypnotics' new video, "Shakedown," on the other hand, combines another familiar theme of sex and cold, hard cash, to prove that anything worth buying is worth fucking.

Help me. I need Pussy.

# Harass-No-More

Yesterday Frank Bork was working his way up the corporate ladder, nearly one rung from the top. Until he made just one coffee condiment faux pas.

Today Mr. Bork is an alcoholic pervert who hands out samples of beef sticks at the mall's local Cattle Samples gift shop. Don't get caught with your innuendos down....

## Killi Vanilli

HUSTLER was sorry to hear about the suicide attempt of Milli Vanilli's Rob Pilatus—sorry because it failed!

But here are ten ways HUSTLER predicts the infantile publicity-seeker will try again.

1. Eat entire carton of Pop Rocks on *Oprah*. Explode to death.
2. Hold breath on *Geraldo*; turn blue and die.
3. Swallow chewing gum on *Donahue*; get plugged to death.
4. Close eyes and squeeze real tight on *Entertainment Tonight*. Head blows up fatally.

7. Eat only chocolate. Squeeze brains out of big pimple on *Sally Jessy Raphael* and be too stupid to live.

8. Tie little hammers on hair and jump up and down on *Hard Copy* until hammered to death.

5. Put out arms and spin real fast on *A Current Affair*. Head pops off and dies.

9. Speed up lip-synch tape on *Montel Williams Show*. Move faster than the speed of life.

6. Cough, sneeze and fart, all at the same time on *Joan Rivers*. Explode to death.

10. Guest on *Late Night With David Letterman*. Bored to death.

Do not call the *L.A. Times*, and by all means DON'T give up!

## HOG ON THE RUN

I've been a satisfied HUSTLER subscriber for years. Your women are the hottest in the biz and your editorials thought-provoking, but I must air one major gripe—your insistence on publishing photos and commentary by the most hated man in porn, Ron "The Hedgehog" Jeremy. This man gives porn a bad name. His crimes against the porn-viewing public are numerous—porking pre-op transsexuals, fucking the 600-pound monster Teighlor, his penchant for autofellatio and, most vulgar of all, performing cunnilingus on Chessie Moore.

I urge you to take a stand against "Round Ron." Have a mail-in vote to determine whether or not to ban Ron Jeremy from the pages of HUSTLER forever. If Ron loses, he can no longer be featured in any pictorials, no references to his name may be made in print, all videos featuring Ron in *Erotic Entertainment* must be automatically awarded a Totally Limp rating, and Ron must return to the land time forgot. Please, keep 1992 Hedgehog-free!

—R. F.  
Modesto, California

*Readers, start Hoggin': Ron presents his case to stay in HUSTLER in this month's Bits & Pieces. Mail us your opinion. That is, if you give a flying fuck one way or another.*

## RON'S FIRST "NO" VOTE

My boyfriend turned me on to HUSTLER a few years ago, and I've been hooked ever since. I want to find out more about amateur-video clubs—real people with real, nasty home vids who are into exchanging tapes. I've seen (and was suckered for \$80 by) an ad for one of these alleged directory/memberships, but instead of the five tapes of amateur home

videos promised in the ad, all I got was one tape with five short, boring scenes starring Ron Jeremy. Yuck! Hardly real. I know there are authentic groups out there. C'mon, HUSTLER. How about some legitimate info for readers who like to play with tape at home? —P. M.  
Long Beach, California

*HUSTLER Amateur Porn, A Comprehensive Guide provides a couple dozen addresses in its "Where to Buy" section. Write our subscriptions department for details. No Ron Jeremy, guaranteed.*

## MYSTERY SOLVED

I'm writing in reference to the January 1992 HUSTLER, where one finds *Where's Dildo?* Dildo claims to have spotted a cock kite, a tuna melt and two dolphins fucking on an inflatable raft on his travels across the nude beach. While I found this piece immensely humorous, I

Sybil and Roxanne: Rub Up

have one question for you: Where the hell is the tuna melt?

I have posted the *Where's Dildo?* section outside my dorm room and offered prizes for the finder of the mysterious tuna melt. No success. I need to know. I'm going to be pissed if you tell me something like, "He ate it." —K. W.  
Elmira, New York

*No, K. W., our answer to your stimulating query has more of a ring of academe to it than the overly simplistic and just plain jejune response you, in playful jest, provide. Profoundly enough, Dildo's reference to melting tuna indicates not an isolated, specific instance, but a general description of so much overheated labia on the sun-drenched, terraqueous topography. Back to class. By the way, do we qualify for a prize?*

## A CAMERA, FIRST OF ALL!

I really want to know what it takes to be a HUSTLER model. I think HUSTLER is the hottest thing I've ever read. I'm just as hot-looking as any of the girls you print, and I want to pose for HUSTLER. What does it take? I know I wouldn't let your readers down. Please, let me know what I can do to fulfill my fantasy. Thanks!

—C. D. R.

### CANOOK KARMA

What's up, HUSTLER? Thanks for all your great magazines. It's a bitch, though, that the Canadian government tortures me by censoring some of your hottest shots. These s.o.b.s fuck their secretaries in the morning and bring their wives daisies at night. If they can have their cake and eat it, why can't we? —L. W.

Manitoba, Canada

'Cuz you're shit out of luck to live in Mooseville, pal!

### HOT AND BOTHERED

The letter entitled "Slit Slave" by Dona B. of Hollywood, California, in HUSTLER's 1991 Holiday Issue was extremely disgusting and never should have been printed ("Slit Slave," *Hot Letters*, Holiday Issue '91). How could you possibly print such a humiliating and degrading example of hatred toward men by women? HUSTLER should be above such bullshit.

Gang rape, and the so-called enjoyment involved in it, is the exact term to describe the escapades in Dona B.'s letter. I wonder, if you were to reverse the sex of the people in her letter and send it to *Playgirl*, if they would consider it a fun, erotic letter. Somehow I doubt the female readers of *Playgirl* would find a girl being tied up and degraded by her husband and a couple of his drinking buddies sexy. Male readers of HUSTLER do not find Dona B.'s letter entertainment either. —R. J. C.

Braintree, Massachusetts

### DICKESTROIKA

Dear friends, hello! My name's Andy. I'm 23. I live in Moscow and work as a reporter in the weekly dealing with family problems. In Canada, I bought a copy of HUSTLER, and I'm really happy about that. I have never seen as great sex magazine as this!

I enjoy fucking very much. Either I like to learn how other people fuck, suck and lick. Pictures make me hot. In your magazine people fuck fucking well. Thank you from Russia! —A. M.

Gee, Andy, if the Canadian HUSTLER turns your crank, wait till you get a load of the uncensored, American version!

### TWO ON THE RAG

HUSTLER has just as many editorial pages today as ten years ago. Count 'em and shut up.

### TWO HOT

I'm a sex-craved, pussy-loving HUSTLER fan from hell, and the best pussy I've ever seen is that constant-pussy-itchin', bitch-slut Tracey (*Tracey: Wiggle in Her Walk*, September '91). She has the wettest, moistest [*sic*] pussy of the year. A hot, dripping-wet pussy is always better than the dry ones!

Also, bitch-fox Micki rocks my cock (*Micki: Nature Calls*, Holiday Issue '91). She made my holiday hard-on. Wet, moisty [*sic*] pussies are the reason

HUSTLER's number one! —K. M. Slidell, Louisiana

### RUB IT RIGHT

HUSTLER's January 1992 cover and the accompanying pictorial featured the hottest latex sex gear I've ever seen (*Sybil and Roxanne: Rub Up*, January '92). I bought my girlfriend a rubber dress in a Denmark sex shop last summer. We both got so hot that we almost fucked right in the shop! These days, even the smell of rubber makes my cock stiff and my lady's labes drool. Where do you find rubber wear like the kind Sybil and Roxanne were modeling back home in America? —C. P. # Nature's Aphrodisiacs:

## CUNTCOCKTIONS MAKE IT A STIFF ONE

BY TABITHA

Editor's Note: The human body is a wonderful thing, but each person reacts differently to herbal stimulants. HUSTLER does not purport to provide medical advice with respect to the herbal aphrodisiacs referenced in this article and cannot warrant the safety of the formulas. Caution should be exercised.

**T**he woman is in her early 30s. Soft, blond hair spills across her bare shoulders. She's wearing a baby-doll nightie, unstrapped. Her tits push past the silky fabric.

She sits on the bed. Her man reclines beside her, naked. Her fingertips glide along the line of hair from his crotch to his navel. She works up to the hollow of his chest. He turns away, embarrassed.

"I'd like to, hon," he grimaces, "but...." He gestures to his dick, as limp as al dente.

She silences him with two fingers 'gainst his lips. Turns and sets a tea tray on the bed. Pours and presents a steaming cup of something dark, fragrant, exotic. He looks at her, skeptical. She smiles and insists. He drinks. In minutes, the tea tray clatters to the floor. The woman gasps. Her man's got the Chrysler Building between his legs. He tears away her baby doll. She spreads her legs with grateful relief.

Camera zooms in on a close-up of the tea that performed the miracle. "Yohimbe," reads the caption, "when you want to keep it up."

ments, eating bananas and carrots may indeed have kept a flagpole from collapsing.

For centuries, teas formulated of equal parts ginseng, sarsaparilla, sassafras and cinnamon bark were said to help maintain men's sexual vigor well into old age. Ham-hungry wives slipped damiana herb into the evening meal in hopes of enjoying a night of passion and also baked caraway seeds into cakes and cookies in hopes of sweetening their husbands' tastes for bedroom games.

Even without the benefit of extensive testing, however, ample evidence suggests that several herbal preparations may influence the sexual drive and performance. Some mixtures are reputed to act as rejuvenating tonics to the sex organs and must be used over a period of time to be effective. Others are said to directly stimulate the recalcitrant genitalia and are used primarily to intensify sexual performance. And all of them are easily available at the local health-food store or through mail-order herb suppliers.

Of the many acclaimed natural aphrodisiacs, none is more celebrated than Yohimbe herb. Hailing from tropical West Africa, Yohimbe has been applauded as a potent aphrodisiac in Africa and West India for centuries. Aging Don Juans laud its amazing powers to produce erotic results in sexual instruments long past their prime.

Yohimbe's active constituents are yohimbine, yohimbiline, ajmaline and indole-based alkaloids. When consumed in small doses, it purportedly stimulates the central nervous system and leads to a lethargic weakness of the limbs and vague restlessness. Chills and warm spinal shivers may also be felt, as well as slight dizziness. Soon, such disconcertments are replaced by a relaxed, somewhat inebriated mental and physical feeling of well-being. Ultimately, spinal ganglia may be affected, causing erection of the sexual organ which can last between two to four hours.

There are several techniques for preparing Yohimbe. One is to add one ounce of the herb to two cups of boiling water, allowing the mixture to boil for approximately three minutes, then gently simmer for 20 minutes. Strain, let cool and sip slowly. Accompanying the ingestion of any strong herbal broth is the possibility of nausea. Yohimbe is no exception. Adding 1000 mg. vitamin C to the broth should reduce or eliminate the discomfort.

It should be noted that herbs, like synthetic medicines, can cause allergic reactions and, like medicine, should be utilized only if necessity demands. *Take caution when experimenting with Yohimbe or any other potent dickcharger.* Elizabeth L., a teacher in Santa Barbara, California, purchased prepared Yohimbe elixir for a night of extenuated passion with her lover.

The commercial of the future? Could be. The quest for sustained sexual vitality is as old as the first caveman cock that failed to bone up. Time and time again, the trouser trouble has been alleviated by the wondrous world of natural, herbal concoctions.

Among practitioners in less enlightened ages, it was believed that a food resembling an erect penis would induce the real thing. If it is true that mind over matter can cure physical ail-

### BUTTWOMAN

**Three-Quarters Erect.** Directed by Bruce Seven; starring Tianna, Summer Knight, Kathleen Jentry, Porsche Lynn, Heather Hart, K. C. Williams, Heather Lere, Missy Warner, Nikki Wilde and Trixy Tyler. Videocassette: *Elegant Angel*.

Bruce Seven has invented a new use for the fast-forward button: Press it to reach the next scene without coming and be able to watch *Buttwoman* all the way through in one sitting. Without a remote, a serious stroker could spend days getting to the end of this marathon cavalcade of cunt. Spoofing John Stagliano's *Buttman* character, Tianna noses her Handy-Cam between some of the most luscious seat cushions to ever settle down on face, dildo or anal beads—Missy Warner's puffy, shaved pussy and Summer Knight's iron-built body are especially mouth-watering. With Seven churning his comely cunt cakes into a creamy lather, *Buttwoman* gets the sex right, but Tianna's often erratic camerawork is without Stagliano's deep-rooted obsession.

—Mal O'Ree

The cunt cakes get stirred into a creamy lather.

Lere stuffs her mouth with Warner's puffy treat.

Stewart sucks cock through *Passages*.

*Trial*: Community-standards sex.

## PASSAGES 3

**Half Erect.** Directed by Paul Thomas; starring Christy Canyon, Jennifer Stewart, Peter North, Mickey Ray, P. J. Sparx and Cal Jammer. Videocassette: Vivid.

The usually nosy camera of videographer Jane Waters is uncharacteristically restrained. Too bad. The meager four sex scenes could use more up-close coverage. There are some nice shots of Jennifer Stewart gamely trying to ingest Peter North in an outdoor, hilltop setting. The houses in the distance create a risk of discovery, which adds an element absent from most Paul Thomas videos: reality. It's fleeting, but it's there. Volcanic Christy Canyon, boobs twirling madly as she bucks, nearly snaps the penis off docile Mickey Ray, who is clearly out of his league. Is Cal Jammer's finger in P. J. Sparx's bum a sign of things to come from this lanky bitch? With any luck, she's working for John Stagliano right this minute. —Chas Beatty

## AN EVENING AT MISTRESS DOMINO'S

**Totally Limp.** Directed by Steven Mitchell; starring Mistress Domino, Robert DeSidni, Dan Silver and Moose Martin. Videocassette: Amsterdam Films.

This exercise in dominant femininity features three white guys being bossed around and humiliated by Mistress Domino, a hawk-nose, screech-voice brunette who comes across with all the sensual appeal of a welfare mother abusing her congenitally defective kids down at the social-services office. Mistress Domino may have a hot body, but she never exposes any of it, remaining sheathed in black leather and plastic. Her white guys crawl, grovel, don unflattering clothing, clean her toilet, lick her boots, get their flabby butts paddled, have their puny, shaven dicks slapped around and generally give worms a bad name. Anyone who can jack off at *Mistress Domino's* is reading the wrong magazine. —Christian Shapiro

## ON TRIAL: IN DEFENSE OF SAVANNAH

**Half Erect.** Directed by Paul Thomas; starring Savannah, Christy Canyon, Britt Morgan, Jon Dough, Scott Irish, Peter North and T. T. Boy. Videocassette: Vivid.

Screenwriter Carl Esser has written a comedy that fell into the hands of people who lean toward docudrama soap operas. The pacing is slow, the editing heavy-handed, and the dreary music bludgeons the lightness of mood that should be there. Savannah, on trial for being in a fuck film, is cute, funny and sexy. One of the most physically exquisite women on Earth, the camera loves her every curve, mound and opening. So does Peter North's dick. Christy Canyon gets laid by T. T. Boy and Scott Irish—though neither one fucks her glorious tits—and Britt Morgan balls Jon Dough, who "comes" inside her. As if wanting to avoid a trial, the sex is community-standards stuff. —C. B.

## REBEL

**Half Erect.** Directed by Henri Pachard; starring Deidre Holland, Alicyn Sterling, Heather Hart, Melanie Moore, Jon Dough, T. T. Boy and Joey Silvera. Videocassette: Zane Entertainment.

Besides containing what is possibly the longest girl/girl grope in cinema history, *Rebel* is burdened with a preposterous plot and too few sex scenes—one of which, despite Heather Hart's huge tits, is a throwaway. On the plus side is the elegant, sinuous, supple, extraordinarily desirable Deidre Holland. Her presence alone makes *Rebel* bearable. Another asset is Alicyn Sterling, a determined little cunt eater who demonstrates an additional flair for fellatio. Jon Dough proves a studly dude by launching a wad that sails over Sterling's shoulder. This may be Henri Pachard's 2,000th fuck film. Though not inspired, at least *Rebel* is not revolting. —C. B.

*Rebel* is not revolting.

Madison has a *City Girl* tongue.

## CITY GIRLS

**Half Erect.** Directed by Gordon Vandermeer; starring Alice Springs, Paula Price, Madison, Jackie Tristan, Eric Price, Peter North and T. T. Boy. Videocassette: VCA.

What's harder to believe: T. T. Boy and Peter North as farm boys ruminating over the virtues of the pastoral life versus the urban, or T. T. Boy as a guy who's about to go off to college? Have Paula Price's surgically buoyed knockers really begun to sag, or is their droop only a fluke of the filming? Has the zing of novelty gone out of onscreen sex for Eric and Paula Price, or is it only the viewer who has wearied of their couplings? Has a woman ever shown greater distaste than Jackie Tristan in the face of a Peter North sperm shot? How does Madison remain such a cuddly cutie-pie even when her chest and breasts are coated with cock crud? Why doesn't *City Girls* raise as many erections as it does questions? —C. S.

## BRAINTEASERS

**Totally Limp.** Directed by Jim Enright; starring K.C. Williams, Terri Diver, Marleena, Monique Hall, Scott Irish and Tom Byron. Videocassette: Zane Entertainment.

Brainy sluts are actually hornier than their dimwitted counterparts; everything but sex bores them. But the bimbos of *Brainteasers* are barely able to remember their only line, "I can read your mind. You want to fuck me." Tom Byron would have been better with an additional condom over his head so he wouldn't have to admit to being in this fetid fuckfest. The only bright spot is Marleena, who can suck cock and take cum on the face just like a pro, but brain-damaged tapes like this will end her porn career.

—Stepan Felchit

## DETERMINATOR 2

**Half Erect.** Directed by Michael Carpenter; starring Alicyn Sterling, Melanie Moore, Devon Shire, Bianca Trump, Marc Wallace, Buck Adams and Tom Chapman. Videocassette: Visual Images.

Pole or hole? That's the decision facing Melanie Moore, and the fate of the world's future sex life hangs in the balance. Alicyn Sterling and Marc Wallace are Determinators, sent back from the future to determine Moore's sexual preference in order to prevent a war of the sexes. The choice is a tough call. Moore's twat tryst with Sterling, a wicked and wet bushwhacking, has Sterling shuddering out of control. Moore also makes a strong case for the joy of reaming. Her three-way with Wallace and Buck Adams is a tasty torquing that climaxes with Wallace banging her butt and Adams finishing her with a furious face-fuck and mug-milking. Yankers will be back, and hard as well.

—Sam Lowry

## A LITTLE CHRISTMAS TAIL

**Half Erect.** Directed by Jim Enright; starring Napoleon, K. C. Williams, Angela Summers, T. T. Boy, Alicyn Sterling, Debi Diamond, Buck Adams and Randy West. Videocassette: Zane Entertainment.

*A Little Christmas Tail* has Santa, Mrs. Claus, toys coming to life and even an elf. The four-foot Napoleon plays Big Jake, Santa's head elf who munches Angela Summers's muff and shoves his schlong into her slot while his boss is having Debi Diamond slide her pussy lips down his chimney. Napoleon and Summers magically animate assorted dolls and teach them to stuff snatch, not stockings. Then, Buck Adams unloads his yule log's egg nog onto K. C. Williams's stomach after a fitfully floppy and funny fuck. In the movie's only bone-building scene, Debi Diamond deep-throats cock with desire enough to make any dick owner willing to promise her anything below her tree, as long as she's on his.

—S. F.

## WELCOME TO DALLAS

**Half Erect.** Directed by B. J. Goody; starring Dallas, Debi Diamond, Holly Rider, Alyssa Jarreau, Bardot, Blake Palmer, Tim Lake and Don Fernando. Videocassette: Vivid.

Except for the familiar faces, you'd think *Welcome to Dallas* was an amateur video—it's that cheesy. The only set to speak of is a sofa, and the lighting in one scene is so poor that it leaves the pussy in the shadows. The recession has finally hit Vivid Video. One similarity to amateur video is a good one: really sleazy. Something about a sofa makes a wad sop deliciously cheap. And there's enough spraying venereal glaze on tits, pussies, faces, lips and tongues to make this tape tolerable.

—C. B.

*Dallas* serves up a sleazy **Welcome**.

*Brandy* is a return to porn's glory days.

Dumb girls aren't **Brainteasers**.

*Christmas*: The sex is strictly Jack Frost.

## BRANDY AND ALEXANDER

**Three-Quarters Erect.** Directed by Jack Remy; starring Jeanna Fine, Jon Dough, Britt Morgan, Alicyn Sterling, K. C. Williams, Heather Hart, Mickey Ray, Tom Byron, Sikki Nixx and Dorothy de Moly. Videocassette: VCA. Shot on film.

Jeanna Fine and Jon Dough are the title twosome, a pair of people desperately looking for love. When they mistakenly pick up each other's laundry, Dough calls to explain the error and winds up listening to her get off in an exhaustively erotic, solo clit-wanking. When she and Dough finally get down to business, Fine displays her awesome deep-throat capability before succumbing to his stabbing schlong. With the help of some solid acting—probably the best of Fine's career—Remy actually puts together a film, rather than shooting filler to put between the sex scenes, making *Brandy and Alexander* an intoxicating brew for couples and horndogs alike.

—S. L.

**Rider:** Boy is on the guest menu.

**Hot slots** subjugate themselves to the wicked whims of **Payne**.

## BLOND RIDER

**One-Quarter Erect.** Directed by Michael Carpenter; starring Candace Hart, April Rayne, Ashley Nicole, Jamie Lee, Angela Summers, T. T. Boy, Peter North and Randy West. Videocassette: Coast to Coast.

A dude ranch with plenty of dicks for the guests to ride is a good idea for a porn movie, but this pathetic pastiche of ranch raunch isn't it. Peter North and T. T. Boy act like they'd just as soon shovel horse shit as fuck Kimberly Dawn and the other guests. Their continuous jacking off, even in unison on April Rayne's face, is proof that while masturbation does not cause blindness, it could lead to stupidity. At least the horses could handle their dialogue. —S. F.

## SEX TREK 2: THE SEARCH FOR SPERM

**One-Quarter Erect.** Directed by Scotty Fox; starring Danielle Rogers, Mona Lisa, Miyagi, Randy Spears, Randy West, Sharise, Joey Silvera, Guy Fabray, Mike Horner and J. B. Videocassette: Moonlight Entertainment.

In Moonlight's second *Star Trek* spoof, the crew of the Plunderer searches for Sperm's genitals, which also contain his brain, stolen by the horny women of planet De Womb. Phallic phasers have definitely been put on snooze this time out, with only Mona Lisa raising the level of lust. It takes both of her two fucks, with Squatty (Randy West) and Boner (Joey Silvera), to add up to one decent drilling. Danielle Rogers makes for a lovely alien, but her sexual energy is lost in a black hole. Nice costumes and some amusing one-liners, but this porn timidly goes where every man has gone before. —S. L.

## THE MYSTERY OF PAYNE

**Half Erect.** Directed by Bruce Seven; starring Alexis Payne, Ashlyn Gere, Zara Whitas and Ca See. Videocassette: Bruce Seven Productions.

How does Bruce Seven do it? The *Mystery of Payne* practically smells like pussy, and yet the girls never even take off their panties. *Payne* is a bondage and paddling movie, with three of the hottest slots ever to cream the X-rated screen subjugating themselves to the wicked whims of Alexis Payne, a severe cunt in possession of a well-equipped dungeon. Payne's whims include flails, whips, slapping hands, canes, rods, ankle restraints, wrist restraints, neck restraints, harnesses to hoist panty-clad victims into the air, nipple clamps and tit chains. Payne whacks butts, thighs, breasts, nipples, satin-covered vulvas. The cunt juice must be boiling beneath those knickers—too bad we can't see it. —C. S.

## HOTHOUSE ROSE

**Half Erect.** Directed by Henri Pachard; starring Victoria Paris, Jeanna Fine, Jon Dough, Randy West, Sikki Nixx, Marc Wallace, Tom Chapman, K. C. Williams, Tianna, T. T. Boy, Nina Hartley, F. J. Lincoln and Henri Pachard. Videocassette: VCA. Shot on film.

Jeanna Fine stars as a lingerie saleswoman who is obsessed with Hothouse Rose (Victoria Paris), a superstar in the jizz biz. Fine's obsession has an effect on her sex life—witness her total ravishment by Sikki Nixx and Marc Wallace in a bathroom. The two studs drill her mouth and muff with such ferocity that Fine becomes a moaning, groaning puddle of lust. Playing a porn superstar to the hilt, Paris's slot-shot with Nixx finds the usually lethargic lovely a tigress for tool—even accepting an all-too-rare cum facial. While these two scenes are dynamite, the rest are standard. Offering good direction and an excellent performance from Fine, this *Rose* is touted to bloom in the second installment. —S. L.

**Paris's Rose** is a cum-covered bloom.

**Robin:** Putting arrows to better use.

## ROBIN HEAD

**Half Erect.** Directed by Bob Vosse; starring Paula Price, Eric Price, Charisma, Mike Horner, Sean Michaels, Holly Davidson, Samantha York, Cathy Collins, Avalon, Cassandra, Gloria, Sharon Kane and Rick Maguire. Videocassette: Coast to Coast.

Forget the green-tighted, arrow-shooting folk hero, *Robin Head* is about a bunch of horny people who drop over to visit Paula and Eric Price, a bored couple who figure a blowjob contest is the perfect way to spice up the day. The Prices not only make for good hosts, their opening boff is a hot cunt-creasing. In the finale, Paula deep-throats Eric and keeps her nose in his pubes for so long, she may have suffocated. Their guests get in a fair share of licks, but nothing compares to the prurience of the Prices. —S. L.

# HOT SPOT

## TERRY DIVER

# TERRY

Diver is a vegetarian who paid her way through college by dancing in nudie bars. She was doing a cheesecake poster when E. Z. Ryder asked her if she wanted to be an extra in Henri Pachard's

*Taboo 9*. She took that job, then went all the way in videos for Scotty Fox and Milton Ingley before taking on Ed Powers during the orgy in HUSTLER Video's *Just for the Hell of It* (pictured). She's married, but that doesn't keep her from "working" with other guys. Her favorite position is doggy, "because my husband has got a great cock." Diver being married might spoil the fantasy for some, but it shows what a cock-hungry slut she really is—and we like that.

# PARLEZ-VOUS *fetish?*

## The French

have a long tradition of bringing high style to low perversions, and *Reves de Cuir*, a new hard-core video from Colmax Productions of Paris, continues the Gaulish custom of high-class sleaze. Shot during an eight-day period at a cost of more than 150,000 American dollars, *Reves de Cuir* (which translates to *Dreams of Leather*) was directed by Francis Leroi, an acclaimed European cineast with a long list of legit-film credits. Aside from having a budget, time and talent lavished upon it, the tape's native incarnation also differs from stateside productions in that it contains a scene of actual, penetrant sex mixed with bondage. While no Americans are included in the cast, featured strumpets Zara Whites (Dutch) and Sunny McKay (Australian) will be familiar to U.S. strokers. Colmax promises that the American release of *Reves* will be every bit as torrid as the French, but they also admit to having shot hard and soft versions. Don't be surprised if even the anal scene is cut from the tape that will eventually reach the neighborhood video store. For an in-depth photo-study of dreamy leading lady Zara Whites, check out photographer James Baes's searing, on-the-set pictorial in next month's issue of HUSTLER.

# OUT OF THE BLUE

**Half Erect.** Directed by Nancianemo; starring Melanie Moore, Wayne Summers, Kristi Leigh, Peter North, Sharise, Nick E. and Scott Irish. Videocassette: Vivid.

If a porn flick is going to show turgid tongue slicing into pursed pussy lips, it helps if the twat flaps are pretty and pink rather than gruesome and gray. Also, a video blowjob is greatly enhanced if the cocksucker, preferably a blonde, is shot from above as she longingly gazes up around the beef stick in her frothy lips and makes meaningful eye contact with the VCR stud at home, who rises to the illusion that he is standing, looking down upon a craven rod scarfer prostrate below him where she belongs. *Out of the Blue* has both attractive snatch curtains and the very effective, dominant view of fellating foxes. *Blue* also has an anal probe and a facial wad-blast, but it only has four sex scenes—which will leave demanding testicles in the *Blue*. —C. S.

# BUTTMAN'S BIG TIT ADVENTURE

**Three-Quarters Erect.** Directed by John Stagliano; starring Dee Dee Reeves, Fawn Miller, Heather Hart, Tracey Adams, Tianna, Woody Long, Felipe, T. T. Boy, Tom Byron and John Stagliano. Videocassette: Evil Angel.

Buttman turns the other cheek and gives equal time to the front-end equipment of some spectacularly endowed women. Dee Dee Reeves makes a mockery of any bra she tries on—and she's not bashful about showing off her cunt either. She also displays a propensity for licking balls and asshole, and she has more than enough cleavage to bury Tom Byron's boner. Heather Hart, on the other hand, fully ingests Felipe's tubesteak, catching his jizz with her lips and tits. Not satisfied with one man, she takes on John Stagliano as well. Awesome Fawn Miller earns a boob-boff and a facial from Woody Long, while T. T. Boy spurts on her tits. Buttman is still a butt man, but this time he got to see how the other half lives. —Augie Michaels

Sharise is a trappy *Blue* fuck.

Buttman eyes the other side.

# EXOTIC BODY PIERCING

by BOB FINGERMAN

**S**o, you want to enter the wonderful world of body piercing? Before making any hasty decisions, see if you've got what it takes....

It helps to be somewhat unremarkable to begin with. Whether male or female, if you resemble Opie or Dan Quayle, you are an ideal candidate for piercing.

**T**he psychology behind body piercing is crucial. Besides a streak of exhibitionism, pain must also be a pleasure. If you jacked off while watching *Hellraiser* and lusted after the Cenobite characters, then welcome to the pierce club.

**W**e live in perilous times. Therefore, it is vital that the piercing salon you choose be sterile. Check out a few places before selecting one.

**O**nce inside, determine which body parts you wish to be perforated. The piercing technician is your ally and wishes to help you make the right choices. Since you are entering the pierce clique with esprit de corps, they will show you *their* piercings!

**N**ow the fun begins!

Lethal-looking implements will be introduced to your body. At first these devices may not seem "user friendly," but soon you'll be so anesthetized that you wouldn't notice if Dr. Mengele himself were working on you.

If things are going smoothly, and you're comfortably numb, you might even become so bold as to order "the works." Like other recreational activities, piercing can be addictive. It's amazing what a little cessation of sensation can lead to.

**O**nce the anesthesia wears off, the real pain sets in—the bill. Like other recreational activities, piercing is quite expensive. Then again, who can put a price on a terrific look?

**N**ow it's time for the real test—in bed! You lovingly ogle each other, but now you realize there's no way to fuck without cutting each other to shreds. Oh, well!

(continued from page 17)

Overly eager, he ingested twice the recommended dosage.

"In less than an hour, he had the biggest hard-on I'd ever seen," Elizabeth relates. "We fucked six or seven times. His hard-on was stiffer the seventh time than the first." Too much of a good thing can be worse than none at all. After ten hours of unabated erection, Elizabeth and her lover became less excited than concerned. It was 24 hours before his dick returned to normal!

Muiru Puama is to Brazil what Yohimbe is to West Africa. This formidable aphrodisiac comes from the Amazonian forests of Brazil. Natives boil about four tablespoons of the shaved bark in one pint of water for about 15 minutes. One cup of the steaming broth is ingested an hour before intercourse.

Muiru Puama's resin contains as yet unidentified active ingredients which are reputed to have, as do the properties of Yohimbe, strong stimulating effects upon the central nervous system. This resin is not water soluble; so boiling it in water like the Amazon natives is not the most efficient way to prepare it. A more effective means is to add four heaping tablespoons of powdered Muiru Puama bark to about one-half pint of boiling vodka. Simmer this mixture for 15 minutes, strain and drink warm. And again, mind your dosage!

The South Sea Islands produce a dicksweller in the form of Kava Kava. Five varieties of Kava Kava are cultivated in Fiji. Three are white, two are black. The white varieties are considered the strongest. The natives choose by how much time they have to pummel their ladies. If it's an hour or two, they use the black. If they've got the time for an all-nighter, they go for the white.

Kava Kava's active ingredients include six resinous alpha pyrones. None of them are water soluble, but they dissolve in alcohol, oils and other fat solvents. The natives usually chew the herb, then spit it into a bowl and mix it with coconut milk. For maximum effect, they mix one ounce of powdered Kava Kava with ten ounces of coconut milk, two tablespoons of coconut or olive oil, and one tablespoon of lecithin, then blend the mixture until it takes on a milky consistency. Serves two. Small amounts may produce euphoria. Larger amounts reportedly produce extreme relaxation while not impairing mental alertness.

Some of those who have tried Kava Kava claim that, when administered in proper dosage, the effects are similar to those of marijuana. It's fairly subtle and may not be noticed the first few times. Unlike marijuana, however, Kava Kava is legal.

In the 1970s, many aspiring Casanovas considered marijuana the ultimate aphrodisiac. A few tokes almost guaranteed a night of connubial bliss. Anyone who enjoyed using pot to stimulate the sexual senses might want to try a mixture called Yuba Gold. It supposedly produces a somewhat milder effect, but it's cheaper and legal. Combine four parts damiana, four parts

scullcap and four parts passion flower. Add one part spearmint and one-half part lobelia. For greatest enhancement, smoke this mixture with a water pipe.

Ginseng is a well-known revitalizing herb. Taken daily, ginseng is revered among Chinese medicos and herb aficionados as a reliable means to calm, strengthen and revivify the body. Laboratory experiments involving mice have shown that, when given daily doses of ginseng, rodent libidos became immune to the sexual deterioration that accompanies stress. Being caged, handled, injected and generally meddled with can certainly be stressful! If small doses of ginseng work on a nervous wreck of a lab animal, think what larger doses might accomplish for a man or woman too stressed-out to fuck properly.

Of the many herbal formulas developed to strengthen and tone the sexual organs and increase sexual desire, two are outstanding. These formulas are made by filling size 00 gelatin capsules with the required powdered herbs. As with any herbal mixture, one must remain alert to any symptoms of allergy or intolerance. Discontinue at the sign of any discomfort. People start by taking two capsules daily and increasing the dosage slowly, working up to five capsules a day, if they're able. Significant improvements in overall vitality and libido are said to become apparent in a month or two.

Formula One: equal parts powdered damiana and saw palmetto berries.

Formula Two: equal parts powdered chickweed, damiana, echinacea, garlic, ginseng, gotu kola, periwinkle, sarsaparilla and saw palmetto; one-eighth part cayenne.

Again, if adverse reactions occur, such as a mild skin rash or nausea, discontinue the capsules.

If herbal ingredients like periwinkle and saw palmetto sound exotic, Chinese herbalists, long noted for their abilities to perform physiological wonders with herbal elixirs, will shock you with their recipe for an Oriental aphrodisiac called Spring Wine, which enjoys an unparalleled reputation as an enhancer of sexual performance. This amazing beverage is made by steeping horny goat weed, dried sea horses, deerhorn shavings, dried human placenta, resin made from the hides of wild, black donkeys and a few equally surprising ingredients in a strong alcoholic mixture for no less than a year. The blend is expensive, but worth the investment and the trip to the closest Chinatown.

Naturally, it's wise to exercise a degree of caution whenever experimenting with any mood-altering substance, Spring Wine in particular. Always start with a small dosage and gradually increase the amount. Constant use may inhibit effectiveness. Herbal preparations should never be taken in conjunction with other medications. If you're taking any prescription or non-prescription drugs, check with your doctor before complicating things.

One last thought. It's an awful cliché, but it's true: There is no aphrodisiac more potent than the human imagination. Sexual expression is the essence of human pleasure. Sample some of these herbal wonders, share your fantasies with your partner, and don't try to fix it if it ain't broke! ☺

## PLATE JOB

I must've turned 1,000 tricks in my life. I've walked the Brooklyn streets for the past 15 years, and I've met more lowlife scumbags than *High Society* has on its subscription lists.

I remember this one guy, must've been about ten years ago, when I was still young. He was a regular client at the time, name of Carmine. He always bragged about the broads in his life; yet every night he'd call me up. I hated the sight of him, with that pouchy pasta face and garlic sweat. He talked the talk of the wiseguys while twirling his tiny, little pinkie ring, like he was someone's don. Don of shit, maybe.

Every time we'd fuck, sweat would fester like a bursting zit from his receding forehead, while his tiny pecker poked just barely inside my pussy.

One night, during a long, hot summer, I told him that I wanted to give him something he'd always remember. "So, let's do it, babe," was his Cro-Magnon reply. He yanked out his needle prick and tugged with two fingers. I stripped him out of his sweat-soaked shirt and told him I wanted to get kinky. He told me he'd read about kink in some of the New York porno rags.

I fastened a set of cuffs around his wrists and positioned him on his back. I pursed my lips around his wire-cock and reached up to take his hand, which he reluctantly allowed me to hold. I surreptitiously slid his crusty pinkie ring from his finger. I laughed at the large size of the ring, compared to the smallness of his cock. Obviously, the stories about hand-to-cock ratio were false.

I bit the tip of his schween with a quick gnaw. He yelped, and his cock responded

just as I had wanted it to—it went limp. I squeezed the pinkie ring over the tip of his cock and slid it down around his pea balls while jerking him off. The blood surged in his vein, struggling to flow beyond the pinkie-ring cock-tourniquet.

"What the fuck is up wit you?" he yelped, his false machismo lost in the moment. *Go on, talk your shit now*, I thought, but instead said, "I just wanted to give you something special." Tried as I might, that pinkie ring stuck at the center of his shaft. I tugged a little and heard the slight scraping of skin as his cock tip went white with gasping strangulation.

"You've maimed me, you stupid bitch!" he croaked and began to rise.

"Baby, I'm sorry," I lied. "We have to get that thing down before the ring'll slip off."

I moved away and wallowed momentarily in the sight of Carmine naked and sweating in the middle of my lime-green shag. The veins on his head protruded farther than his aching cock. If his boys from the 'hood could only see him now!

I pulled my glass-top coffee table over from the corner and positioned it over his head. "What are you doin', you stupid shit? Get this thing away from me!" he whined.

I said nothing and sat on the table over his face, smearing my cunt dew across the clear, glass surface. I opened my labia wide and diddled my moist asshole. The stump of his cock below the pinkie ring looked ready to burst. I massaged a drop of golden urine onto the table, but stopped any further flow—piss was too good for the worm.

I turned and squatted over the plate-glass table, allowing my ass cheeks to droop a foot or two from the surface. I spread my ass and fondled the crinkles of my anus with my middle finger. "Do you like my shithole?" I queried.

"Bitch, get this ring off me!" he yelled.

"You're gonna have to ask a lot nicer than that," I said calmly. I opened my sphincters wide and clenched the muscles within. Then I licked my own pinkie and slid the entire digit inside my burning asshole.

"You have to learn not to talk shit," I barked. "My pinkie feels better inside me than your stick prick." He tried to move but could not. "You like my ass?" I asked, working the finger in and out.

"Yes!" he cried, trying to move.

"You want to fuck my ass?"

"Hold on, baby!" I screamed. "It's too late! I'm coming! I'm coming!" And as I yanked my finger from my sphincters, out poured a steaming clump of shit. The turd plopped to the tabletop with a thick, meaty thud. I clenched my shithole, moaned and released another pile, equally as large as before, but this time with tiny kernels laced into the surface, like nuts in a chocolate bar.

When my rectum had emptied, I looked down. All I could see was a clump of brown shit covering Carmine's face. His wiry-black hair stood out above the pile, while his chin jutted down below. He

looked like a living, breathing, talking turd. I stuck my pinkie back inside my anus, probing for more waste, more fodder for my folly, but I came out empty.

As Carmine struggled to get his hands free, I noticed a slimy line of semen clinging to the tip of his dick. In an instant his dink went soft, and the pinkie ring fell off. He squirmed from under the table and crawled like a 50-year-old baby into the bathroom.

I wiped my ass with his poly/rayon blend shirt and got dressed. I wanted no more of pukés like Carmine. I tossed all my belongings into one suitcase and moved to the front door. I told him the keys to the cuffs would be by my mailbox—four flights down and facing the street. With his

# SEX in the recession:

## FUCK THE ECONOMY!

The recession has cut deep into America's pocketbook.

Whether rich or poor, even our most fundamental needs are being sacrificed. In the spirit of these difficult and depressing times, HUSTLER offers tips on how to fuck and save money at the same time.

Rinse out and even re-stitch expensive rubbers (although we recommend taking them off first). If cared for properly, one box of condoms could last the duration of another Republican Presidential term.

What were previously regarded as waste products can be put to good use. Runoff grease from a pan of bacon provides the lubricant for an early-morning fuckfest, lowering cholesterol at the same time.

Don't waste precious sperm. Take aim while preparing lunch and dinner. A healthy sex life could eliminate the purchase of expensive sandwich spreads and blue-cheese dressing.

Antiseptic fluid isn't just for birth control anymore. After a night of heavy fucking, a thrifty man simply uses her excess goo and applies it to his face, for a thick lather to combat that tough morning growth.

As the recession deepens and prices skyrocket, couples will be forced to work several jobs just to make ends meet. Endless days of double-shifting will leave us too exhausted to think about sex, lacking enough energy to turn off the TV rhetoric that got us into this mess in the first place.

Used tampons can beautify house or bride. Use as hair curlers for that wild look from the foreign magazines, or strap on to any paint roller for a coat of paint that'll be the envy of every home-improvement handyman.

## HOT LETTERS (continued from page 33)

I sat on the table over his face, smearing my cunt dew across the clear, glass surface. I opened my labia wide and diddled my pisshole.

whine still ringing in my ears, I left the apartment and that life of cheap chicken hawks for good.

### COED BATHROOM

I'm a 22-year-old guy, pretty shy, who grew up in a conservative community in central California. I felt sheltered living with my domineering folks; so I was glad when they agreed to send me to school near the beach.

Some of the shit I experienced was right out of my wet dreams. Just last week, a bunch of the frats celebrated the end of finals with a major beer-bash blowout. After draining keg after keg, the men were running through the sand, tossing cold water onto the bikini tops of the chicks, arousing their nipples to firm attention.

There was this one girl, Michelle, who I'd had a boner for most of the semester. I was sure she'd never give a guy like me the time of day. That day, she was wearing the smallest, Day-Glo green bikini I'd ever seen. The darkness of her nipples peeked out from the sides of the mini-top. Down below, I saw the glorious trace of her pussy lips through the tiny, triangular bottom. Judging from the smoothness of the bulge, she was obviously close-shaven.

After draining nearly a gallon of beer, I had to piss like a racehorse. Unfortunately, the line for the bathroom extended around the side of the building. I recalled a new city ordinance that permitted an individual to use the other sex's bathroom if more than three people waited for yours. The time was right to take that law into my own hands.

I quickly snuck into the women's restroom and opened the first stall door. An OUT OF ORDER sign hung crookedly above the john. Straining to keep my pee inside, I moved to the next one. When I gave the door a vigorous tug, I was shocked to see Michelle sitting on the throne.

"Geez, I'm really sorry," I babbled, shutting the door.

"Hold it," she exhorted. "What's your name?"

Although it seemed an odd time for introductions, I stuttered, "Randall."

"I've seen you eyeing me in class, Randall," she said, wiping the excess urine from her pebble clit. Her lips were as pink as the steak I'd barbequed earlier.

"You've been watching me this year, haven't you, Randall?" she teased, obvi-

ously high on brew. "So, did you come in here to pee or to look at pretty girls?"

I froze. The overwhelming urge to piss mixed with the blood surging forward into my man-vein. "Piss," I finally blurted out. She spread her legs even with the circular seat. "Well," she giggled, "let's see how good your aim is."

I yanked my trunks to the ground and bent my knees slightly, to aim my wand toward the center of the bowl. I stood that way for a moment, silently urging my bladder to release, but the sight of her pretty, pink crevice prohibited the act.

She reached out with one hand to tug on my rod from the base to the tip. After a moment's stroke, she said, "You won't be able to whiz with all that sperm in there."

She rose and kicked off her bikini bottoms. She pulled her top away from her nips, exposing deep, ruby areolas. She turned around and put her hands against the wall above the toilet. With her legs spread on either side of the john, she arched her perfect ass into the air. I brushed aside some sand residue that clung to her ass and spread the cheeks wide. As I slid inside the

nubile bunny, the smoothness of her pussy lips soothed my aching shaft.

I started slowly and gained momentum, power-fucking her so hard, her head crashed against the disposable ass-gasket dispenser. Since I still had to piss, it took a long time before the semen worked its way into my shaft. When my balls finally twitched, she promptly dismounted and turned to face me. My cum crashed in long, silky streams against her twat.

As the sperm subsided, golden droplets emerged from the tip of my cock, and suddenly the piss shot out of me like from a bursting dam. The urine hosed down her lips, knocking the remaining drops of cum into the toilet. The minute, blond hairs of her inner thighs shined in the golden stream.

When I had finished, she jerked out the remaining drops and giggled. "After all this time, I hope you weren't disappointed, Randy," she cooed. Only my mom had ever called me Randy, and as Michelle scurried out of the bathroom to bathe in the ocean's frothy surf, I laughed at the memory of my sheltered childhood, and the fun I'd been missing in the city. What a relief that new city ordinance was.

# HALLOWEEN

Owning a butt or wanting to take possession of one are the primary qualifications for enjoying the Shadow Lane Halloween Party.

Halloween is more important to some people than to others. In Southern California, All Hallow Even is a holy day of obligation. Out-of-towners should be warned, but many are not.

Dave and Linda Sailer picked California's fall season as the perfect time to visit the Golden State. The Sailers book a suite at Studio City's Sportsmen's Lodge Hotel, a perfectly central location, just over Coldwater Canyon from the shopping of Beverly Hills, freeway close to the fabled tours of Universal Studios.

The first thing that goes wrong is the weather. The Sailer clan—including pre-teen daughters Gail and Lisa—arrive on the night of Saturday, October 26, under the deluge of a thundering rainstorm. They file like a column of drenched seafarers toward their rooms. The route leads them past a banquet room used for conventions, group dinners and parties.

The two daughters avert their maidenly eyes. An animated throng spills from the banquet room, crowding the sidewalk with gaily adorned revelers. A caveman wearing off-the-shoulder, faux animal skin drags his

club after a pirate wench who trails a purple cat-o'-nine-tails. A priest in white collar and lavender shirt blesses the reincarnation of Betty Page as she totters on stilettos steeper than the demands of utility. A leering Santa Claus *yo-ho-hos* as a stacked and statuesque genie who might be Barbara Eden's foxy sister spills from a harem costume. A brunet bobby-soxer in schoolgirl drag fills out name tags for the guests, most of whom are in leather, fancy dress or tuxedo.

It's not so much what some of these party-goers are wearing, as it is what they are not wearing, that catches the notice of Dad Sailer. A woman stands greeting all passersby. Only a network of leather patches and chain, about as much material as would be needed to construct a wallet and tether, separates her from total nudity.

"I'm going back inside," she announces to a retinue of goggle-eyed admirers. "My ass is getting cold."

"Well, maybe we can warm it up," chortles a man costumed in judicial robes. His hands rustle beneath his vestments, gripping a sleek, black-leather paddle.

"Is that your gavel," innuendoes a

breathy, black-haired bombshell in a drop-dead, backless, white, skintight dress, "or are you just happy to see me?"

Dad Sailer stops in his watery tracks. Mom Sailer hydroplanes on the wet cement and crashes into her mate just as he is hit by a disturbing realization. Beyond the revealing and enticing costumes, some of these women are also flaunting whips, cat-o'-nine-tails, flails and strops. He's being smiled at, openly, invitingly, a bit sinisterly.

"Keep moving," growls Ma Sailer at his rear. "Your ass is mine."

Owning a butt or wanting to take possession of one are the primary qualifications for enjoying the Shadow Lane Halloween Party. ("It just might scare your pants off!" promises the invitation.) The \$50 admission fee for men and \$25 charged women, the thousands of miles traveled by some attendees, the rain and the shocked stares of disapproval from hotel patrons who weren't invited, all are supplanted by a fixation upon the ruddy glow of freshly smacked tush.

Shadow Lane is a company dedicated to providing hot-bottom thrills for fans of sensual spanking. The Shadow umbrella covers a line of butt-warming video- and audiotapes, pink-cheek photo-sets and bun-tingling publications, including novel-length collections of ass-slapping fiction, and *Stand Corrected*, the Shadow Lane newsletter. For the discriminating spanking enthusiast, *Stand Corrected* covers the flog scene with news of events and products, fiction, pictorials, illustrations, how-to's, interviews and a classified-ad meeting place for seekers of hot-seat fun.

Shadow Lane, judging by the Halloween turnout, has a diverse following, though the crowd is predominantly white and male at the party's outset. An abundance of single men wander with that lone-wolf stare, giving piercing eye appraisals to the hot babes circulating among the throng. Several of these women are red-moon luminaries of the spank-video universe. Their buns and well-muscled spanking arms are the bait Shadow Lane dangles to lure the schmo and mook contingent.

Sweat beading on their brows as they gulp for air, compulsive male fans sidle up to the chattering circles that spontaneously surround the happy slap starlets.

"Mistress Exene is getting married tonight at midnight," announces a torpedo-tit, brick-butt vixen, "...to her slave."

"To her slave?" snorts one comely tart whose face and ass telegraph that she knows stinging from both sides of the paddle. "I didn't think things like that happened."

Neither did we, think the swooning hangers-on who've overheard. *We never dared think things like that happened, but now we can dream.*

"It's deerskin," explains a wench, showing

off her new, lavender cat-o'-nine-tails. "It doesn't hurt, and it cools down in between."

*We don't mind if it hurts,* responds the muted chorus.

"You can hit me," agrees a full-bottom, buxom lady, "but only on my terms."

*Whatever you say,* agree the silent auditors. *But wait until we get you home. Your terms will change.*

There's lots of talk about fanny temperatures, and raising same.

More couples arrive. Amateur enthusiasts, they lack the aplomb of the pros. Their presence lends balance to the mix.

A vocal stag proclaims: "I'm into normally dressed women getting spanked by a normally dressed man." He's speaking to everyone in general, confident that someone in particular will hear. "I'm not into fetish wear. I'm not into seeing a naked woman and a naked man. Sometimes it's not supposed to be fun."

"That's what he thinks too," pipes up the soft drawl of a down-home debutante, indicating the man at her elbow. They're dressed more for a board meeting than for an L.A. Halloween party of bun freaks.

The Rotary Club couple is from Nashville, Tennessee. The man, and spanker, of the two is a retired Army career man. "Lot of mileage here," he observes, having met people from Cincinnati, Chicago, Virginia.

He and the little miss met through a personal ad in *Stand Corrected*. They discovered so much more in common than spanking that she now sports a glittering hunk of diamond on her ring finger, and they've gone into business together, forming Loving Hand Productions. They've designed stationery pads for replying to spanky personal ads, they sell an apple-cheek calendar, personalized paddles, photo-sets and audiotapes with corresponding photo-sets, which can be executed to personal specifications.

"God, what a great country," exclaims the ex-military man. "Some of the other tapes are so contrived. We live the life."

Also living the life is Gary, a thirtyish, bearded guy with no obvious outward defects. Gary has traveled from Colorado specifically to attend the festivities. He points out Chelsea, Keri, Gretta and others, the superstars of corporal-punishment cine-

ma, but they are of secondary interest to him. He plans to be in the L.A. area for four weeks later in the year, and he's trying to meet some players to hook up with at that time. Into spanking since the age of 12, he's brought along some toys with him, "just to see what will happen."

Upstairs, in the three Shadow Lane hospitality suites, real action is happening.

"I could've been spanking Jesus," bitches a red-heeled, severe beauty, referring to a man costumed as the spiritual Savior of the free world, "instead of just some schmuck in a leather coat."

People mill in the hall outside the three playrooms. Some look twisted by wayward urges; others are natural, comfortable, radiant.

Exhibitionists can be so shy at first. The two smaller rooms, empty initially, are "for anyone who finds the need of a straight-backed chair," advises Tony Elka, Shadow Lane's codirector and the hand of pain in many of its most popular video releases. One such video is running in the bigger room, where specialty vendors are handing out fliers and displaying samples of their wares: The Loving Hands couple are huckstering Li'l and Big Stinger wooden paddles, "All field tested." The lady behind *Sassy Ladies*, a magazine for discriminating readers of erotic-spanking literature, hands out circulars offering subscriptions and audiotapes. Sudden Impact, "the spanking community's hottest, newest producer" and the creative minds behind *Strictly Speaking* and *Spanking Central*, offers a \$49.95 party price for their premier video, *Taking Care of Business*. Paddles by Pieter displays an artful line of straps, paddles and tawse.

Shoptalk goes on out in the hall: "Washington State has shut down all fetish trade. We're from the Bible Belt."

"Seattle is the Bible Belt? We thought people there were pretty progressive."

A guy in medieval minstrel getup starts staring, a simpler chiseled onto his face. Spankers like their women with some cushioning. "I'm an Aries," says the female whose exposed backside is the object of his focus. "I'm a natural leader." She has a tail of followers.

"I heard a smack!" exclaims a man in Nero costume. A swish and slap is clearly audible from the hospitality suite at the end of the hall. A gaggle of onlookers quickly forms around the doorway.

Inside, a large brunette with overflowing cleavage gazes at a nirvana invisible to mere mortals. A man in a tuxedo flails her heaving breasts with strips of black leather. The thongs swish through the air, blowing her bangs to the side and slashing into her accepting flesh. Her body quivers and jolts, and the audience quivers and jolts with her as each leather arc cuts into her tits.

"Relax, I'm just here to take a whiz."

# HALLOWEEN

Her whip man coils his lash around her neck and pulls her crimson face to his chest. The onlookers burst into appreciative applause.

Her face and chest flush fire red; her legs shake, and her body jerks in spasmodic release. Her whip man coils his lash around her neck and pulls her crimson, transported face to his chest. The onlookers burst into appreciative applause.

On the bed behind the clasping couple, a dozen hairbrushes of varying sizes and weights are arranged, available for all comers.

A competition for attention commences in the connecting suite. An elderly man, who could have played Jimmy Stewart's father, drops the trousers to his brown banker's suit. Beneath the conservative outer garments, he wears pink lingerie, garters and a teddy of frilly, loose-leg satin. A woman in lavender couture paddles his butt cheeks, one then the other, always hitting the same spots until perfectly square welts rise, so red it hurts to look at them. The mistress glows whenever an implement is in her hand.

The old guy gets himself together quickly. A pit-face master in black-leather pants and vest brushes into the room, commenting: "I'm gonna smack some butt."

He braces a French maid against a wall and lifts her skimpy skirt. Her ass is a straw-

berry patch from previous spankings, but he rips into her with a man-size paddle, rearing all the way back, rocking on his heels and throwing his entire weight behind every swing of the weapon.

The crowd watches for a few whops, but more break away with each strike. By the time the woman's buttocks begin to bleed, only a few diehard spectators remain.

Back in the main suite, Zorro pushes past Santa Claus to get a good view of Mistress Stephanie Locke taking the back of a hairbrush to Little Red Riding Hood's corset-squeezed tush. Little Red is a man in his 50s.

"You've been very bad," admonishes Stephanie, "flashing yourself."

He squirms over her knee as she selects a more appropriate brush. He hides his face in his hood, and the slaps on his flab echo throughout the hall.

"I want to thank you," says a butt-smacker to her willing victim. "Look how red my hand is."

"Oh, baby, you're suffering."

A morose guy with a button that reads UP WITH SKIRTS; DOWN WITH PANTIES cheers up

when the birthday raffle is announced. Several of the girls have raffled off chances for a lucky winner to administer a birthday spanking. The master of ceremonies arrives with the tickets, and everyone crushes into the main suite.

Bobbie, a curvy, petite brunette in a schoolgirl plaid skirt, is the first prize. Her buns are won by a blinking nebbish native to L.A. He shifts from foot to foot and stares with walleed bliss.

He is booed by hard-core members of the crowd and is given the option of being with or without a mask while spanking Bobbie.

"With a mask."

Bobbie suggests he wear a pussycat mask. He agrees and receives another round of booing. Bobbie bites her fingers in mock distress and settles across his lap.

"Skirt up! Skirt up!" chants the mob.

"When you decide to take a spanking," taunts Bobbie, "you can decide if you want the skirt up."

The nebbish pauses at 26 to rub Bobbie's nates through her thick, flannel skirt.

"He's hopeless," concludes the conventional wisdom.

The next prize posterior, Tanya Foxx's, promises more edifying results. "I'll sit down now," she says as the winning number is announced, "because I don't think I'll be able to later."

A former porn actress who specialized in anal-probing, Tanya lifts her skirt and displays her lace-wrapped, big firm butt.

The winner takes off his jacket and rolls up his sleeves. He doesn't need a mask. After ten smacks, he lifts her skirt and applies his hand to her bare rear essence. He pauses at 21 to savor her blushing cheeks and proceeds to 26.

"Does this mean we're engaged now?" he asks hopefully, remembering the story of Mistress Exene and her slave.

\* \* \*

The next raffled rump is Janice Gold's, a switch who's as eager to spank as be spanked. Looking very stern, she requests a razor strop.

A voice comes from outside the room:

"Who's getting it?"

"The caveman."

"Janice is giving it to the caveman?"

"You know, there's two rooms over there that nobody's doing anything in."

It's Gary from Colorado. He's tired of this impersonal action. It's so much more intense when two people are actually involved with one another's chemistry. He snuggles up to a new friend and discards his string of raffle tickets.

Pop Sailer, a gleam in his eye, retrieves Gary's coupons and adds them to the bunch clutched in his fists. He can feel his luck changing. The night is young, and his family sleeps. 🐼

Wesbecker storms the snack bar, blasting. A worker falls, clawing at his middle. He frags the fridge and the junk-food machine and moves on.

October 11, 1991: Thirty-five-year-old Ridgewood, New Jersey, postal worker Joseph Harris stabs his former supervisor to death in her New Jersey home and fatally shoots her boyfriend. Immediately afterward, armed with explosives and a firearm, he shoots and kills two mail handlers at his former place of employment.

That same week, 31-year-old former Marine Thomas McIlvane, armed with a sawed-off .22-caliber Ruger Rimfire, killed the post-office supervisor who fired him the year before and the labor arbitrator who had turned down his appeal for reinstatement. He also offed two uninvolved employees and wounded five others before spilling his brains.

September 14, 1989: Joseph T. Wesbecker, 47, strolls into the lobby of the Standard Gravure printing plant in Louisville, Kentucky, carrying a heavy vinyl gym bag.

Joe gets on an empty elevator and punches the button for the third-floor executive offices. As soon as the doors slam shut, he unzips his bag and lifts out a Chi-

nese-made AK-47 with a full banana clip.

The elevator doors spread wide, revealing Standard Gravure's wood-paneled executive offices. At the reception desk, pleasant, middle-aged Sharon Needy glances up at Joe.

*Pow pow pow pow pow!*

A spray of copper-cased 7.62-mm, high-velocity bullets blasts Sharon Needy clean away from her desk. The guy standing beside her catches it too, spinning and smashing into the gore-spattered paneling.

Joe strides past the ruined reception desk, storming the hall like the Dark Angel of Payback. Screams, shouts, slamming doors and open-mouthed faces flash into view. He pulls off shots at them, loud shots that rock the house; but mostly what he sees are backs, as people scramble and claw to escape.

At the end of the hall, he bursts through the doors to the bindery. The heat, the stink of sweet-and-sour glue and ink, and the mind-numbing chattering of a saddle stitcher wrap 'round him like a sickening fog. People panic. Joe fires at their backs.

Men stiffen and reach behind them as if trying to scratch impossible itches, then hit the deck and flop like fish.

Suddenly, Johnny Tingle is standing in front of him, wide-eyed and fear-frozen. Oddly, Joe feels a need to explain.

"I told them I'd be back," he says calmly.

"H-h-how are ya, Rock?" Johnny manages to blurt.

"Fine, John," Joe replies. "Back off and get out of the way."

Joe enters the staircase. His rifle's deafening roars echo through the steel and concrete well. Two guys scream and wriggle, pumping blood onto the stairs. Joe steps over them on his way to the pressroom, firing at fleeting forms.

He storms the snack bar, blasting. A worker falls, clawing at his middle. Joe frags the fridge and the junk-food machine and moves on.

After half an hour, in an annex pressroom, it's time to end it. Joe flips the AK-47 around, tucks the barrel under his chin and thumbs the trigger. The high-velocity round spikes up through his tongue, splits the roof of his mouth, and Joseph T. Wesbecker's brains spatter the walls of the pressroom.

When his murderous rampage finally came to an end, Wesbecker had killed seven people and wounded 13.

"He was looking for bosses," John Tingle verifies later. "He couldn't find the bosses, and he couldn't find the supervisors. But he was in too deep to turn back. So he just shot anything that was close to him."

Joseph T. Wesbecker was a psycho. An investigation immediately after his rampage revealed he was a manic-depressive with a long history of mental illness.

But anyone who writes off Joe's deadly attack as just one of those crazy things, does so at his own risk. Because Joseph T. Wesbecker is not alone.

There's a terrifying new trend in the American workplace. Employees in mad, murderous rages are lashing out at their fellow workers.

## ALL THE RAGE

Killing friends and family as well as total strangers is nothing new to America's mass murderers.

On September 5, 1949, Howard Unruh, an unhinged World War II veteran, went crazy in Camden, New Jersey, and shot 13 innocent bystanders dead.

In 1955, a man put his heavily insured mother and a time bomb on a plane that exploded near Longmont, Colorado, killing 44 people.

In 1966, Charles J. "Texas Tower" Whitman killed his mother and his wife,

after which he climbed to the top of a tower at the University of Texas at Austin and drilled 14 people before being bagged by a local sharpshooter.

In 1984, unemployed security guard James Oliver Huberty opened fire at a McDonald's restaurant in San Ysidro, California, "shooting everything in sight," according to authorities. By the time the cops killed him an hour and a half later, he'd murdered 21 people, many of them children, and wounded 15.

And on October 16, 1991, local nutball George Jo Hennard smashed his pickup truck through the plate-glass window of a Luby's Cafeteria in Killeen, Texas, before mowing down the clientele with a rifle. He killed 20 and wounded 22 before offing himself.

In each of these instances, the carnage came out of the blue, as impossible to predict as to understand. But in the last five years there have been at least five major cases of multiple murders in the American workplace, and hundreds of incidents in which only a handful of victims were seriously injured or a single victim killed.

The news media has an identifying tag for these terrorists of the workplace: "disgruntled employees."

## MESSAGE ON A BARFBAG

If a gold medal were given to the most accomplished on-the-job killer, David Augustus Burke would win hands down. No other contender approaches his Olympic-quality record: 42 people dead, 43 counting Burke himself, in just a few murderous moments. Purists might accuse Burke of cheating—one could say he made unfair use of a jetliner to achieve his ends.

Burke, a 35-year-old USAir employee, was dismissed from his job as a flight attendant for allegedly pocketing \$69 of in-flight cocktail money. He claimed he was unfairly fired. On December 7, 1987, he boarded a flight from L.A. to San Francisco along with his supervisor, Raymond F. Thomson, 48. The plane crashed, killing everyone on board.

Investigators later found an air-sickness bag with a note scrawled on it. The note read: "Hi, Ray, I think it's sort of ironical that we end up like this. I asked for some

leniency for my family, remember? Well, I got none, and you'll get none."

Investigators at the crash site also uncovered a .44 Magnum pistol that Burke, a resident of Long Beach, California, had smuggled on board and the employee ID card he should have surrendered when dismissed, which he possibly used to bypass preflight security.

When the jet, Pacific Southwest flight 1771, a four-engine British Aerospace 146 Series 200 aircraft, slammed into an oak-studded hillside in the central Californian Santa Lucia mountain range, the crash was so violent that little evidence of the events leading to its failure remained: Eleven of the 43 victims were never identified. Nothing remained but a pile of random body parts, which were buried in a mass grave in a Southern California cemetery.

Moments before the crash, the captain radioed that there had been gunfire in the passenger cabin. Gene Katz, a private pilot flying nearby at the time, told a local radio station he heard the doomed PSA captain tell air-traffic controllers, "Seven-seven, zero-zero," which is a special code for emergencies. The controller replied, "Say again," and the captain confirmed, "I have an emergency...gunfire...." That was the last communication.

Federal authorities later revealed that the flight voice recorder picked up six shots before it (and the plane) went silent.

Did Burke actually kill Thomson first, thus missing the pleasure of having his supposed enemy alive for the moment of impact? Or did the cabin shots come from Burke blasting his way into the cockpit, whacking the pilots and sending the jet into a four-mile power dive while Thomson sat in horror, reading his own death sentence scrawled on a barfbag? Either way, the grisly result was the same.

Wesbecker's and Burke's rash revenge tactics are underscored by the desperation of tormented men pushed past the breaking point. More chilling is the cold-blooded, methodical nature of workplace berserker Larry T. Hansel's job-shelling method.

On June 4, 1991, Hansel, 41, a laid-off computer technician in San Diego, returned to his former workplace, the Elgar Corporation, for a visit. Hansel had with him a shotgun, a bandoleer of ammo, several homemade, remote-control bombs and some Molotov cocktails.

He strategically placed and detonated two of the remote bombs to fill the halls with smoke and create the utmost confusion. He stopped at the main switchboard, politely requested that the operator step away, and strafed the phone lines with his shotgun.

Then, according to the operator, Hansel strolled upstairs to the executive offices to

bag his main quarry: three former supervisors he felt had wrongfully fired him. He only found one. Vice President and General Manager John Jones, 48, was in his office when Hansel entered and calmly pumped a 12-gauge shotgun slug into him. Mike Krowitz, 46, a regional sales manager, rushed to Jones's aid. Hansel gave him three blasts for his troubles—once each in the chest, stomach and leg—before turning the muzzle on Jones again and spilling his brains on the floor.

Hansel searched the executive offices methodically. Witnesses said he seemed eerily calm, "point-blanking" workers with a steady gaze, questioning them as to his intended victims' whereabouts, then moving on.

"He looked me straight in the eye and said, 'You can go,'" Chief Financial Officer Chris Kelford reported. "He was in control. He knew what he wanted to do."

But Hansel found none of the other men he wanted. After about ten minutes, he left the building. He drove his pickup 135 miles to Palm Desert, where he turned himself in to the police.

## CORPORATE SHIELD

Workplace murder is the fastest-growing form of homicide in America, reports clinical psychologist Bruce Blythe, founder and director of Atlanta-based Crisis Management International (CMI), a consulting firm that counsels corporations on how to deal with tragedies of all kinds. According to the Center for Disease Control, it's the number-one killer of women in the workplace. The threat is much closer than most people believe. Chances are remote that an Iraqi in a ski mask will come bursting into your office. The real danger is from the person working right beside you.

CMI was called in by Standard Gravure after the incident with Joseph T. Wesbecker. The job Blythe performed was a sort of mental mopping up—organizing managers' meetings, arranging employee counseling and therapy for families, guiding the company through the nightmarish job of getting a factory that had become a blood-spattered killing ground back to work.

"More than any one thing, we respond

to murder in the workplace," Blythe explains. "I've dealt with about 100 such cases in the past ten years, with the majority in the past three years."

## NEITHER RAIN NOR SNOW NOR HAIL OF BULLETS

No examination of workplace murders and murderers would be complete without a look at the American enterprise that may well produce more homicidally disgruntled employees than any other.

The Post Office Department was once a part of the U.S. government, but in 1971, it became a semiprivate company, the U.S. Postal Service, and since then has been desperately trying to cut expenses and increase productivity.

However, union leaders and other critics accuse it of speed-ups and worker harassment. Working for the Postal Service used to be considered the ultimate blue-collar tit-job. But a traumatic weaning has been going on over the past few years.

"We don't have any more or any less problems than face society today, whether you're talking about drugs or just plain bad temper," insists Lou Eberhardt, a spokesman for the Postal Service.

But in the past six years there have been over 350 recorded assaults of postal supervisors by employees and nearly 200 assaults of employees by supervisors. An astonishing number of postal workers have killed themselves, and in the past decade dozens of postal employees have been murdered by their fellow workers in stations all over the country, including murders and beatings in Chelsea, Massachusetts; Dallas; Atlanta; New York City; Anniston, Alabama; and Edmond, Oklahoma.

The San Diego area has had a particularly nasty run of luck with postal-worker suicides. On March 25, 1989, 44-year-old letter carrier Donald Mace walked into a post-office lobby, whipped out a .38 revolver and blew his brains out. Two days before, postal clerk Hector Rubio, 40, hung himself with his belt. In June, letter carrier Jay Fanum did himself in; in July of the same year, 62-year-old William Camp, who critics said had been harassed into an early retirement, hung himself in his garage.

And then came August 10, 1989.

John Merlin Taylor, a 52-year-old letter carrier, began his busy day by shooting his wife dead while she lay in bed. Then he drove to work, where he hauled out a .22 semiautomatic Sturm-Ruger pistol and killed fellow postal employees Ron Williams and Richard Berni, wounded Paul DeRisi and knocked off early by blowing his own brains out.

And it wasn't like Taylor didn't enjoy his job or that his supervisors were out to

Answer: Mace.

**A** preacher was walking in the woods one day and came upon a very large bear. Frightened, he started to pray. "Dear God," he said, "if you don't do anything else, please make that bear a Christian bear."

The bear stood there for a short while and then got down on its knees and began to pray: "Dear Lord, I want to thank you for the food you've prepared before me today...."

**T**wo old-timers, Wally and Irving, were bellied up to the bar, reminiscing over a bottle of Old Skull.

"Ya know," mused Wally, "when I was 30, my boner was so hard that I couldn't bend it with both hands. Then when I was 40, I could bend it about ten degrees, and after I turned 50, I could bend it almost 20 degrees."

"So," grumbled Irving, "what's your point?"

"Well," Wally continued, "I just passed 60, and now I can bend it at least 30 degrees with just one hand." He paused to down another shot and then asked, "Irving, just how much stronger do you think I'm gonna get?"

**O**n the day before her 12th baby was due, Mrs. Masucci told her husband, "I've had it. You men want more and more children, but now we women have fixed it. We went to church and prayed to the saint to make the fathers share the pain of labor. And from the way the candles flared, I know the saint listened."

Her husband laughed at her for her superstition. Later that night, Mrs. Masucci began to feel the first labor pains. Smugly, her husband touched his stomach. He felt nothing, not even the least twinge. He leaned forward and poured himself a glass of wine.

Then, suddenly, from the street came a terrible scream. The man from next door clutched his belly and rolled on the sidewalk.

**Q**uestion: What did Senator Kennedy whisper in Clarence Thomas's ear?

Answer: "Why didn't you drown the bitch?"

**H**ank and Bob were working on a roof when a breeze blew the ladder down, leaving them stranded. "No problem," said Hank. "There's a pile of manure on the other side that we can leap into."

"Yuck!" said Bob. "You're crazy!"

Without further ado, Hank jumped.

"Well," asked Bob, "are you all right?"

Hank yelled up, "Yeah, I'm fine."

"How deep is it?"

"Just up to my ankles."

So Bob thought, *What the hell*, and jumped. "Aw, shit!" he screamed. "This crap's up to my nose!"

Hank replied, "That's because you didn't jump head-first, stupid!"

**A** young lady who was born without arms or legs was at the beach one day. She looked about and saw all the people around her who had a boyfriend or girlfriend.

Suddenly, she began to cry. A man happened to be walking by and asked her what was wrong.

She replied, "I'm 25 years old, and I've never been hugged by a man." So the man hugged her.

He began to walk away, when she started to cry again. "What's wrong now?" he asked.

"I'm 25 years old, and I've never been kissed by a man." So the man kissed her.

Once again, he started to walk off when he heard her sobbing. "Now what's the matter?" he asked.

"I'm 25 years old, and I've never been fucked by a man." So the man picked up the girl and threw her into the ocean.

## MISTRESS L.

A public S&M venue, the BackDrop had strict rules: "They could jerk off, but you couldn't touch them, no golden showers."

According to Hebrew legend, the original Lilith was Adam's first wife. When she refused to fuck Adam, God kicked her out of Eden and turned her into a succubus—a creature who devours wet-dreaming men's souls as they come. That name, with its powerful and demonic connotations, was perfect for Mistress Lilith, one of the San Francisco Bay Area's most prominent dominatrixes. It takes more than a whip, a pair of handcuffs and an attitude to make a dominatrix.

Lilith, a redhead with a taste for black hats and plunging necklines, lives in a large, two-story house in northern California. She talks of her 13-year career in the living room. Lying on a coffee table is a copy of *The Essemian Way*, an international S&M magazine, open to Lilith's column, "Mother Goose From the Crypt." Illustrating the article is a picture of her—topless and wielding two long, curved swords.

"I was Kali," she explains, referring to the Hindu goddess who eats men's entrails. "I whirled the swords around and threw out fiery balls of energy that didn't exist." Lilith is much more coherent discussing

S&M than she is talking metaphysics. Even so, she can differentiate between the physical and the spiritual better than some of her customers: One was into Tantric humming; another came looking for "good vibes."

Some of her clients—mostly Catholics—were interested in Satanism. "I had one who claimed to be a priest," the mistress recounts. "I seriously doubted him, but he really looked the part." She drew an upside-down pentagram on his chest and walked around a magic circle calling up satanic names. "It rid him of a lot of pent-up tension."

Lilith's first encounter with S&M came following a long-term relationship. She had been answering personal ads, looking for "lots of sex, with lots of oral," and answered one that read: "Do you want your pussy eaten good?" The guy opened a drawer filled with whips, dildos and restraints, and told her that he was wearing pantyhose. "He asked me if I'd like to be tied to the bed and whipped," Lilith recounts, "and I told him that if he took a step closer, I was going to have his balls on the mantelpiece. He said, 'Oh, I'm so glad

you said that. Then you'd probably like to tie me up and whip me.'"

Once he agreed to eat her pussy, Lilith brought the whip down. "I ended up fucking him with a giant dildo and spending the night. It was wonderful." They continued to see each other until he got a girlfriend who was more amenable to settling down.

Lilith discovered that she had limits as to what could turn her on. She answered an ad from a married couple who enjoyed entertaining partners in expensive restaurants and on long trips on their boat. They were also into burning the wife with cigarettes and cutting her with razor blades. "Basically, I'm not into watching blood flow from people who are screaming in real agony," the dominatrix states indifferently.

Needing cash to feed her infant daughter, Lilith accepted a friend's offer to turn a trick. Lilith showed up to discover that the john wanted "to have oranges thrown at his cock while he was tied up with all of these colorful neckties in the corner. My aim wasn't very good, and he got very hard and came." Her next trick was standing at the edge of a bed while a few other hookers gave the chump a handjob. It was an easy \$50, but not something she wished to continue.

After stints as a cocktail waitress and a belly dancer, Lilith discovered the BackDrop Club. A public S&M venue that accepted credit cards and monitored its employees, the BackDrop had strict rules: "They could jerk off, but you couldn't touch them, no golden showers." Any physical contact would have made the encounter illegal. The BackDrop's owner trained Lilith to be a dominant.

The BackDrop attracted clientele more bizarre than anyone who visited Lilith while she worked for herself. "I remember this guy calling who asked if we were into castration; so [we] said, 'Sure, we'll do anything,' and told him to bring his own scalpel." When the man arrived 45 minutes later, scalpel in hand, demanding to be castrated, he was promptly turned away. "Nobody was in the mood for castration. [S&M]'s a sexual thing, and you want their sexual powers to be at their height—not to be removing them."

Eventually, the restrictions against physical contact at the BackDrop proved too confining to remain, but Lilith wanted to continue in S&M. In hooking, dancing and waitressing, the customers are rude. In S&M, "they're very polite—naturally. There isn't anything more polite in life than a man kneeling at your feet, promising to do anything you want—at least for the next hour."

So with a small ad for customers wanting "spanking and fantasy games," Lilith went into business for herself. The ad was left general to suggest a wide range of activities open to the customer. "Some people

"Good evening...my name is Herb, and I'll be your waiter tonight—enjoy your herb tea."

"You're really sick, Nadine."

## MISTRESS L.

have definite fetishes. Some people say let the mistress do what she wants; they're a lot of fun—if they really mean it."

Lilith had to work out a pay scale with every client—carefully worded in case the customer were an undercover cop. "Afterward, if they wanted to give me a present, that's all right," she explains. "If I liked them and the present well enough to make me want to do it as a regular thing, I'd tell them. This way I got burned maybe five times in 13 years."

Lilith and her two partners worked out of a two-story apartment. The downstairs was covered with red-silk curtains and her boyfriend's paintings. The top floor had two rooms. The first, a television and examination room, contained a gynecological table from the 1920s, "even more uncomfortable than the ones they have now. A gyno table is a great place to tie them down, spread their legs and do all sorts of weird things to them."

In addition to giving enemas, Lilith liked to soak cotton swabs in alcohol and rub them around the urethra. She attached clothespins to the cock and balls. And the

dominatrix always kept the speculum in a bowl of ice before exams.

Behind a wall of curtains, the torture chamber proper contained wood blocks, chains, whips, a rack, an extension device and a cross. She also kept white, black and red candles in the dark, closed room. Different colors of candles would be used depending on the client's pain tolerance: Black wax is hotter than red, which is hotter than white. "I used to make cock-and-ball sculptures," Mistress explains. "Cover the cock and balls with oil, then completely cover them with colors. Sometimes I'd use many colors—not just those three—to make rainbow sculptures, and I'd put them up in the room."

Downstairs, she gave enemas, forcing the recipients to hold in by sheer will alone. "I gave clean-out enemas so that I could use a dildo on the back door or fist-fuck them," she says, grinning. Lilith only fist-fucked clients who'd been knuckle-reamed previously. Even then, she used heavily lubricated rubber gloves (to cover the nails) and worked her hand carefully through the anus.

"It's not for me; it's for Christ."

Giving enemas is simple compared to high-colonics, where the subject lies on his side with his knees drawn up while a well-lubricated, 22-inch tube is inserted. Misapplied, a high-colonic can damage the sphincter muscles and the sigmoid colon. Lilith learned the technique at the Back-Drop Club from enema specialist Colon L'Farge. He wrote porn books and also taught the club's workers how to insert catheters into the urethra.

Lilith's business activities were not confined to her apartment. Some clients wanted an audience. One man wished to be kidnapped in public. After dinner and drinks at a local restaurant, Lilith and her partner grabbed him in the parking lot, handcuffed him and threw him into their car. "The people in the parking lot were standing there looking amazed—some of them were applauding. That was quite a while ago; I don't know if that would happen today."

At times, business didn't even require the dominatrix and her client to be together. Lilith added pressure on her whip strokes for traveling businessmen so the customer could "find the marks and help them jack off in front of a mirror when they're on trips."

Though Lilith learned many things at the BackDrop, other aspects, such as client safety, came with experience. In the beginning, she used gags, but once: "I had a fellow strapped up on my suspension device...his wrists were up there, and he wanted them very tight. He was a great, big man and sort of slumped into the leather restraints. It cut off his circulation, but he was gagged, and I didn't notice until he passed out. When he woke up, he said, 'Oh, wow, that was really fun. We're going to have to do more of that.'" In spite of a large tip, Lilith stopped using gags.

To further understand S&M, Lilith studied endorphins, opium-like chemicals produced within the brain. Since the pain and pleasure centers are located next to each other, Lilith paired opposite sensations to produce the endorphins. "I used to threaten to brand them and bring something hot near them so they could feel the heat," she describes, "and then I'd take an ice cube and press it against their skin. They'd scream, thinking they were being branded until they realized that the sensation was actually cold."

Drugs produced by the body, however, were the only ones that she allowed her customers. If a client desperately wanted one, she'd allow him a glass of wine or a beer, but Lilith wanted customers to be at their sexual peak, not numbed on dope. Drunks were never admitted into the apartment, especially since she once lost control of one.

A proper balance between control and

"One of my best oral plays was over 80. I let him eat my pussy. He'd come while he was doing it. Most younger fellows couldn't do that."

power is essential for a successful session. "S&M is a game of power and control: The bottom should have all of the power, and the top should have all of the control, in the sense that a lion tamer and a lion do," Lilith explains. "The lion has the power, and the lion tamer has the control, and you don't beg lions to jump through hoops, or the lions will eat you. In professional B&D, you should always keep control, even if the man is seven feet tall.

"Some men try what they call creative resistance, but if it gets too creative, I usually cut them off," she adds. Lilith had no patience for those who tried to talk their way out of the restraints or push her away. "They might end up hurting you. And obviously, you don't want to spend the whole time arguing with them [about] whether they're going into the handcuffs."

Some sober, obedient customers failed to establish a working connection with Lilith because they could not separate reality from fantasy. One client had interrogated prisoners in Vietnam and liked to be tied up and left alone in a closet. "He was one of the few people I saw who seemed to be

into it for a real punishment aspect." She eventually left him upon discovering his pet tarantula—not because she feared the pet, but because he hated spiders and kept it to punish himself, which seemed unhealthy to her.

Other clients who didn't work well with Lilith were politicians and prigs "with power over people [who] had a really obnoxious attitude." Lilith called herself the "workingman's mistress," declaring, "Blue-collar workers could be downright fun to work with, or highly intelligent without many pretensions."

One client turned out to have been an off-duty cop who had lied about his occupation. Lilith remembers him as one of the select who genuinely liked to eat shit. "I hadn't been into it at first," she recalls, "but I got into it. When people get turned-on, it's almost impossible for me not to."

The coprophagic cop would lie below a camping toilet, which Lilith sat on. She would then shit directly into his mouth. "I don't like the smell; so I didn't want to use any plates," Lilith adds. She always ordered him to brush his teeth immediately afterward.

"All my life I've had one nagging question: What does pussy taste like?"

Theoretically, any infections living in the dominatrix's intestines will be passed on to her client. With AIDS so widespread, shit-eating is extremely rare now.

More often, Lilith suggested golden showers. "If they were into oral sex, they were into golden showers, whether they knew it or not." One of Lilith's favorite memories is of "giving a golden shower while having a glass of champagne while eating a rare, very good cut of meat, which satisfies three basic urges all at once.

"One of my best oral plays was well over 80," Lilith recalls, beaming. His wife had refused to have sex with him since the birth of his second child more than 35 years previously. He felt that oral sex was the dirtiest thing he had ever heard of and desperately wanted to try it. "So I let him eat my pussy. He'd come while he was doing it, which I found amazing. Most younger fellows couldn't do that."

But with the advent of AIDS, oral sex had to be performed with a rubber dam (or her preference, plastic wrap), and activities such as piercing, golden showers and shit-eating were eliminated. Restrictions are a large part of why Lilith retired. "When I was a teen and in my early 20s, I loved to group-grope, sometimes with a lot of strangers, men, women—you couldn't tell what was going on." Now, she is limited to a longstanding monogamous relationship, "not by choice particularly, but by fear.

"I feel sorry for our kids," she adds. "I have a daughter who's 18, and her whole sex life as far as choice was cut off long before she had a sex life."

Lilith passed her clientele to the Back-Drop and her friends in the business. Her longest-lasting partner, with her for nine years, specialized in "loving domination," mostly verbal techniques. She has gone on to earn a master's degree in psychology. Another partner began at 19 after discovering that making porn films and having sex with her boyfriend did not satisfy her. Wanting to make some money off her interest in B&D, she stayed with Lilith four years and is now married with two kids.

One partner enjoyed hurting the customers. "She really looked the part. They loved looking at her," Lilith remembers, "but a couple of the men mentioned that they had never seen anything so terrifying." Lilith spoke to her about changing careers, and she eventually became a successful stripper.

If not for injury and fear of AIDS, Lilith would still be working. For now, she works on her column and occasionally gives advice to potential mistresses. "A lot of women ask how I managed not to get arrested, and I say it was by not asking for money. They ask how to get them to pay you. Make sure they want to come back." 🍌

get him. In fact, Taylor, already smiling down—or up—from his eternal resting place, would have been pleased to hear how fondly the postal brass spoke of him.

"He was well liked by management, staff and fellow employees," eulogized local postmaster Gary Williams. "I never knew him to have a sharp word with anybody."

San Diego Postmaster Margaret Sellers rhapsodized: "This is a model station, and he was a model employee."

Anybody who liked John Merlin Taylor must have loved Patrick Henry Sherrill. Sherrill was the man who actually launched the whole berserk-at-work craze, way back in 1986.

On August 20 of that year, Sherrill cooked himself a nice breakfast of scrambled eggs, did the dishes and drove to work.

He got to the one-story, brick post office in Edmond, Oklahoma, at about 6:45 in the morning. He entered through the rear of the building, attempted to lock the doors and walked into the middle of the large, central work area where about 100 people were busy sorting mail and getting ready for deliveries.

At that point, Patrick Henry Sherrill pulled two .45 automatics out of his mail pouch and started blasting.

He'd been a Marine and a small-arms instructor in the Air National Guard. His aim was lethal. He shot 14 workers (seven men and seven women) dead, left another seven people wounded and then canceled his own memorial stamp with a bullet in the head.

"He was in the center of the room with two .45s, blazing away," postal-union supervisor Larry J. Vercelli confirmed later.

A number of people at the postal station survived by playing dead—at least one of them hiding in a pile of corpses—while Sherrill stomped up and down looking for fresh targets.

Police reached the post office at about seven o'clock, soon after they learned what was happening.

Sherrill was long dead from his self-inflicted head wound when police tried talking to him by phone and megaphone. Finally, SWAT teams stormed the building. By that time, there was nothing they could do but carry out the dead and wounded and clean up the floors.

"There was a lot of blood, a lot of bodies," Edmond police lieutenant Mike Woolridge observed. "With 14 people, you're gonna have a lot of blood."

### How to tell if your work buddy is about to serve you hot lead for lunch.

"I get calls from corporations all the time, where they'll say, 'We got someone here who we gotta fire. Come out and tell us if he's gonna be violent,'" declares Crisis Management International director Bruce Blythe. "I hate those calls," he concludes with a bitter laugh.

Blythe has put together a "Violent Employee Potential Assessment"—a rough checklist that may—or may not—identify your friendly berserk worker:

#### Things to Watch for:

- \*Is the person experiencing any major stressors: marital breakup, loss of job, etc.?
- \*Are there signs of depression?
- \*Bizarre behavior or verbiage that seems strange or out of touch with reality?
- \*Mood swings? Loner? Self-esteem problems?
- \*Suicidal ideation or acts?
- \*Increase in anxiety level?
- \*Signs of poor impulse control?

#### Information to Research/Review:

- \*Police record for violent offenses?
- \*Any known acts of domestic violence, cruelty to animals, assaults, fights?
- \*Is the individual in financial difficulty?
- \*Does he have a psychiatric history?
- \*History of alcohol/drug abuse?
- \*Asking about boss's schedule? Boss's secretary?
- \*Does he have life insurance that would cover his family?
- \*Is he making inquiries regarding life insurance?

#### Additional Considerations:

- \*Is he a Vietnam vet?
  - \*Does he own a gun?
  - \*Does he belong to the National Rifle Association?
- If you don't have any workmates for whom you can answer yes to any of these questions, relax—you have nothing to worry about. Probably.

"That one's had all his shots...."

# BERSERK

Sherrill had long enjoyed a reputation as a weird loner. People began calling him "Crazy Pat" after he was discovered peering into neighbors' windows at least 15 years before his ultimate bug-out.

"He'd just stare at you with such a strange look, like he was laughing at you," said Jane Thompson, who lived across the street from him. Thompson was 26 at the time of the shooting. She said that when she was about 11, "every night I'd wake up, and there would be Pat standing at the window."

Bill Bland, a supervisor who had criticized Sherrill's work just the day before, managed to miss the massacre because he'd overslept that morning.

Another supervisor who'd been present when Bland dressed Sherrill down was found among the dead.

For every Joseph Wesbecker or David Burke or Patrick Sherrill whose rampages capture the headlines, there are dozens of smaller incidents that go almost unnoticed.

On February 19, 1990, Christopher Williams returned to the Brooklyn video store where he'd recently worked and argued with manager Derek Gill about money. When Williams didn't get what he wanted, he whipped out a .38 and shot Gill dead.

On March 29, 1991, Robert C. Rovinski left his pressman's job at the *Bucks County Courier Times* in Tullytown, Pennsylvania, in a funk. He'd just watched co-worker Darrell Frost put his arm around an ex-girlfriend of Rovinski's, who also worked at the plant.

Rovinski went home, set his own house on fire, drove to his ex's house and shot her in the legs with a shotgun. Then he went back to the plant and, although he couldn't find Frost, shotgunned four other workers, who he said had "done him wrong."

On July 21, 1991, two men walked into the Optimum Window Manufacturing Company in the Bronx and asked for jobs. When Francisco Crisafulli, a company engineer, told them repeatedly that none were available, one of the men pulled out a .38 and shot him in the chest.

Crisafulli died in his son's arms.

Perhaps the biggest tragedy about such events is the terrible truth that they are no longer surprising. In fact, as the "Violent Employee Potential Assessment" on page 104 illustrates, this homicidal behavior is almost predictable. In factories, warehouses, offices and shops across America, murder's getting as familiar as the first cup of coffee in the morning.

# BEAVER HUNT

Photo by Friend

Miss Kitty is the stage name of this outrageous, 24-year-old actress from Brooklyn, New York. She's into the finer things in life, like gourmet cooking, mud wrestling and Roller Derby. Her far-out fantasy is to have an orgy in outer space or, at the very least, be a rich, young couple's sex slave. Interested applicants send names on a used Kleenex to....

Photo by Husband

Twenty-four-year-old Lynn is a full-time housewife and mother of three in Ewa Beach, Hawaii, but judging from the tricky angle, she doesn't appear any worse for wear. She enjoys snorkeling and swimming and would love to be photographed by HUSTLER while using her vibrator and sucking a big, juicy cock.

## FLASH FOR CASH!

Attention, ladies! The 1992 Beaver Hunt Grand Prize Competition is looking for you! Snap a clear, color picture and mail it to HUSTLER Beaver Hunt, 9171 Wilshire Boulevard, Suite 300, Beverly Hills, CA 90210. Every lady whose picture we print gets \$250 and a chance at the 1992 Grand Prize—a photo-feature worth \$5,000. Grand Prize finalists win \$1,500 each. Their photographers win \$250. The award for the photographer of the Grand Prize Winner is \$500. Fill out the model release below, and include a photocopy of (1) a photo ID and (2) another form of ID. Second ID can be a birth certificate, selective service card, baptismal certificate, Social Security card, credit card, marriage certificate or immigration card. Send photo copies, not originals. Send two or more sharply focused color prints or slides. Showing pink is optional at entry stage. Beautiful Sabrina is a 24-year-old student from Greensboro, North Carolina. The swimming and sunbathing she enjoys away from class have paid off in a perfect body. She dreams of making love 100 stories up on a skyscraper or 1,000 miles at sea—obviously a woman of great depths.

Photo by Husband/Friend

By day, 20-year-old Amy is a peach of a clerk in Augusta, Georgia. By night, she busies herself writing horror stories. Her fantasy is to fuck a complete stranger in a public place. She doesn't scare us.

Photo by Friend

Megan is a 23-year-old beauty from Imperial, Pennsylvania. While currently unemployed, she fantasizes about making love to her boyfriend while he orally satisfies a luscious lady. Otherwise, she spends her time fishing, waterskiing and shooting pool. As long as you have the triangle, Megan, rack 'em up—we've got the cue.

Twenty-eight-year-old Jill is a cake decorator by trade, whose alluring innocence prompts the question: "Where do you put the cherry?" She enjoys jogging and bicycling in Las Vegas, Nevada, and fantasizes about a beautiful night with two gentlemen in bed. What exactly she does with them is your fantasy.

Photo by Boyfriend

Dressed for excess, Debora is a 40-year-old lady who tends bar in Amsterdam, the hedonist capital of the Netherlands. Although happily married, Mistress Deb plays S&M games with other women, which often include the use of a double-donger, while her husband watches. And you should've seen the photos we couldn't print.

We'd love to share cake and whipped cream with Heavenly Angel, who celebrates her 19th birthday this month. A model and dancer from San Jose, California, she likes to sing, and she dreams of making love in a swimming pool full of diamonds. Perhaps she should consult her gynecologist first.

Photo by Friend

Although a dancer by trade, 22-year-old Carrie Lynn from Oshawa, Ontario, seems to prefer getting off her feet and onto her back. This self-described NFL couch potato, who also likes to work jigsaw puzzles, apparently is only missing one piece. She'd someday like to ride an overnight Greyhound bus to anywhere while sucking and fucking on the backseat.

Photo by Friend

Ginny is a moody resident of Pinellas Park, Florida. Although the clean-shaven 20-year-old lists no occupation, her hobbies include bowling, pool and, of course, sex. Her fantasy is to make love with a woman in the moonlight. Then again, Gin, anytime's the right time for love.

Photo by Husband

Spicy Esperanza is a 21-year-old student in Georgetown, Kentucky. In keeping with her heritage, she enjoys singing and dancing to Puerto Rican salsa music and longs to star in a threeway film, making love to her husband and Vanessa Del Rio at the same time.

Do you envy men who have large penis size, like 8, 9, or even 10 inch erections? Envy no more! **SIZEMASTER** may be for you. Maybe you won't get 9-10 inches, but you'll swell to the maximum possible. Gentle suction massage makes the amazing difference.

Compare **SIZEMASTER** to units costing twice as much and more, even \$60 electric models. Yet **SIZEMASTER** is only \$13.95 and has a 30-day money-back guarantee. Amazing offer... amazing product! Won't she be surprised & delighted! Ask your doctor about **SIZEMASTER**. Sold as a novelty only.

**NOTICE:** The U.S. Post Office, without clinical tests, has forbidden the claiming of **permanent penis enlargement**, and we make no such claim. But after 10 years and half-a-million sold, we have less than 1% dissatisfaction. And with a 30-day money-back return privilege, you have no risk. So you be the judge. Order today from...

**ERECTION PROBLEMS?**

Our formula borrows upon centuries old herbal remedies. American Indians discovered so called "miracle drugs" in nature...like **ASPIRIN** in birch bark, **QUININE** in chinchona, **DIGITALIS** in floglove. Their big discovery was **DAMIANA**, which they used as a stimulant for **long, powerful erections**. Since the 8th century the Chinese have used **GINSENG** to increase their sexual power, while in Central America natives have used **SARSAPARILLA** for the same purpose. Our formula combines all of these legendary products into a single capsule for daily use. We call it **SUPER MALE TONIC**. An agency of the U.S. Govt., without clinical tests, has restricted us from labeling **SUPER MALE TONIC** as an aphrodisiac. We make no such claim. But we have had **THOUSANDS OF REPEAT CUSTOMERS** since we started selling it in 1974.

If you have erection worries and are looking for relief we can promise you this: You won't be sorry you tried Super Male Tonic.

**"A JOURNEY INTO THE BIZARRE"**

with **PAUL NORMAN . . . the master of the unusual!**

We bring you a collection of eleven adventures in erotica that are unlike any you've ever seen - we guarantee it! PAUL NORMAN, "The Master of the Unusual" goes where few producers dare to tread in the production of his sex films, stopping at nothing to bring you the most visually shocking sex encounters ever filmed - XXX hardcore that appeals to every taste - every kink! Not content with the normal big-dick studs and porno starlets, he has sought out, discovered, and brought to the screen true hermaphrodites (people who possess a penis and vagina); Siamese twins who perform sex on camera; bisexual nymphs and satyrs who will do anything to get off; and much, much more! NOW - by special arrangement with Mr. Norman, we offer you this showcase collection of his best works. Obviously, his films bring top dollar when sold individually, but during this limited special offer, you can acquire these classics at a price that makes them an unbelievable bargain!

**90 minute VIDEO as low as \$3.63 EACH scene**

**PN-1 "BI & BEYOND" (Hermaphrodite with a woman)** - The film that set the sex world on its ear! Deliah, the stunning brunette hermaphrodite with a gorgeous woman's body and pulsing 10 1/2" cock, makes her film debut, licking, sucking and fucking a blonde woman in every way imaginable!

**PN-2 "PASSION BY FIRE"** - A bisexual female and bisexual male join forces and cruise pick-up bars in search of sex partners to quench their insatiable appetites for cum! 3-way action where no hole is left unfilled!

**PN-4 "BI & BEYOND 2" (Hermaphrodite with a man & woman)** - A horse-hung hermaphrodite easily satisfies a man and a bi-guy as she uses her awesome sexual equipment in a 3-way fuck fest such as you've never seen before!

**PN-5 "JOINED" (Siamese twins with a man)** - Perhaps Paul Norman's most incredible discovery of all - gorgeous young Siamese twins joined at the hip, who catch a peeping tom and grant his fondest wish - to have sex with them! A must see, alone worth the price of the entire collection!

**PN-6 "INNOCENCE LOST"** - Two lesbians decide to try cock for the first time, and introduce their neighbor to new thrills as they penetrate his virgin anus with their dildoes & lesbian sex toys!

**PN-7 "BI & BEYOND 3" (A hermaphrodite with a man)** - A gorgeous blonde with a dripping pink pussy and throbbing 9" cock auditions for a film role. The producer (who's bi) has his hands full (and his manhole) when this unique, oversexed creature gives him an updated lesson in male & female anatomy!

**PN-8 "HEATWAVE" (Interracial bisexuality)** - The black bisexual crew of a yacht "drops anchor" in the hot mouths and hungry pussies of their cock-starved bisexual blonde passengers. A "salt & pepper" suck & fuck fest ensues all over the boat!

**PN-9 "SEPARATED" (Siamese twins with two men)** - The stunning Siamese twins yield their mouths and cunts to the throbbing cocks of two studs as they have their first 4-way group sex experience. An eye-popping, cum-spurting orgy of double fucking and sucking!

**PN-10 "BI & BEYOND 4" (Super-hung black hermaphrodite with a man)** - "Herculina," the incredible black hermaphrodite with a 12 inch penis, teaches a "white boy" about "long-dicking" as he has his first encounter with nature's "ultimate sexual partner," the hermaphrodite!

**PN-11 "OFFERING"** - Imagine what happens when 8 multi-orgasmic male & female bisexuals get together for an "orgy to end all orgies." It's all here - hot, wet, and up-close, as Paul Norman's camera record the most cum-saturated sexual encounter ever filmed!

# You Can ENLARGE, THICKEN & HARDEN YOUR PENIS TO IT'S MAXIMUM! HAVE ERECT MEASUREMENTS OF 9, 10, EVEN 12 FULL INCHES!

Let Scott Taylor "King of Penis Enlargement" show you how!

Is the size of your penis bringing you down? Sure, the medical authorities say that size doesn't count, but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.

Now, with a simple device you can follow in the footsteps of Super Porn Stars, Scott Taylor, Jeff Stryker and the hundreds of thousands of men who have proven that there is a way to INCREASE PENIS SIZE and THICKNESS! The device is called the SUPRA-12 VACUUM ENLARGE. A safe and proven natural way to add inches to penis length and thickness. With the SUPRA-12, you will see yourself grow to dimensions you never thought possible.

## HOW CAN THE SUPRA-12 VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS? SUPRA-12, THE "ROLLS ROYCE" OF VACUUM ENLARGERS.

Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold. BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD and you have a correspondingly longer, thicker penis. You'll see the astonishing results the first time you use your SUPRA-12. Your penis will grow inside the clear, picture window sleeve. Immediately you'll see just how really BIG... how really FAT... how LONG... how HARD and STIFF your own penis can get! And after regular sessions with the SUPRA-12 you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

These sophisticated instruments are by far the state of the art in penis enhancing machinery. The HEAVY DUTY MANUAL model is a finely crafted precision instrument designed to create the vacuum needed to make the male organ LONG and THICKER. And for the connoisseur, the powerful ULTRA DELUXE ELECTRIC model (U.L. approved) is equipped to give you continuous even sucking power until you shut it off! The ULTRA DELUXE ELECTRIC is perfectly safe and as quiet as a whisper.

Accept no substitutes if you are truly serious about penis enlargement - join the more than half a million men who have proved that the SUPRA-12 will do the job for you!

**FREE!**  
\$24.95 HOW-TO-VIDEO with every PUMP ORDERED!

SCOTT TAYLOR TAKES YOU STEP-BY-STEP AND SHOWS YOU HOW TO ENLARGE YOUR PENIS! He'll show you what phenomenal increases he has made in both the length and diameter of his penis with careful experimentation. Finally, he has hit upon the most efficient enlargement method to date! This video tape is a full color, detailed, step-by-step explanation by Scott of what you need to know to increase your own genital size.

Would you like to watch adult videos of real amateurs like the girl next door? Not stars, no corny stories, no cum on cue phonies, but real earthy, raw amateur girls and guys doing everything to each other. They really enjoy it, because they know you will be watching them. It turns them on and it will turn you on.

DEVELOPER NOW  
OFFERED AT A  
FRACTION OF ITS  
ORIGINAL PRICE!**

Have you ever been embarrassed by the size of your penis? Have you tried to convince yourself it's not how big it is but how you use it? As long as your sex partner needs to be completely filled, you owe it to yourself to do something about a larger penis now!

***Our penis developer will increase penis length, thickness, and make your erection harder and stiffer.***

Did you know a woman's vagina will stretch and enlarge to accommodate a large penis? Imagine her excitement as you penetrate deeper than you ever have before.

***How does our penis developer increase your penis length and diameter?***

The answer is called hypermia, a medical term to describe blood filling into caverns of your penis. The caverns expand causing your penis to grow in size and diameter. The superior pump action and sealed vacuum of our penis developer urges your penis to grow to mammoth proportions. Our penis developer is not just a vibrator like some electric units you may see advertised. Remember, it is the precise slow super pumping action of our space age designed penis pump that builds your penis larger than you ever dreamed possible.

***Act now if you are interested in penis enlargement.  
TAKE ADVANTAGE OF THIS SPECIAL OFFER NOW!***

## NEXT MONTH IN HUSTLER

May HUSTLER on sale March 17, 1992

### WRAP IT RAW

It's a tight fit inside HUSTLER in May as a devilish bevy of fist-jammin', paper goddesses color-coordinate five creamin' dreams of pink. Wet yourself with a streamside, leggy sportster's fly-fishin', pussy-dunkin' frig; plug a peephole into a raunchy sailor's shore-leave whore-squeeze; lube up at a racetrack body-shop where two luscious gear-ginches make their pit stop a clit-stop; help squeeze a succulent, busty brunette into a cock-veined variety of stiff, leather corsets; and squirt a projectile dose of upholstery glue on a bad-girl blonde naughtily staining the scarlet lining of her own private loveseat. Sound like heaven? Get a grip.

### MARK OF THE SQUEALER

Snitching's big business, and it's a competitive—and dangerous—job. Eager to sing for money or freedom or both, paid employees of district attorneys, federal agents and street cops risk lives and livelihood for dubious rewards. Crime researcher Clayton B. Wright describes the neighborhood informer, the puppet snitch and the dreaded "sophist" in *Ruled by the Rat*, a cold-blooded glimpse of the precarious business of squealing for salary, benefits—and often a free ride to the morgue.

### HELP US, JESUS

None other than former minister Marvin Gorman blew the whistle on Assembly of God minister Jimmy Swaggart's after-service dallings with prostitute Debra Murphree. Not coincidentally, Swaggart himself had driven Gorman out of the pulpit a few years before, reciting allegations of Gorman's extracurricular ministrations with a harem of female parishioners. The ludicrous battle of these behemoth blowhards to throw the most dirt the fastest in each other's direction is hilariously recounted in writer Mark Taylor's *Lord, Have Mercy*, irrefutable evidence that televangelism proves a quicker road to infamy than eternal rest.

### BETTER AND THE BEST

Safe-sex practitioners in the '90s have pulled a much-derided sexual practice out of the closet and into the limelight. Stroker Bob Aphart uncovers the shine under the slime in "Beating's Better," HUSTLER's *Sex Play* for May. It's a one-handed quest for the perfect relationship. But will you love yourself in the morning? *Hot Letters* mines the nastiest nuggets from Americans' long-buried libidos; *Beaver Hunt* racks up the nymphs of the neighborhood; and *Bits & Pieces* gives a fresh, funny kick in the pants. All in HUSTLER in May. Grab on and get off.
